Dear Mr. Riggi,

Thank you for your attendance at the Erie County Sewer District (ECSD) No. 6 Board of Managers on October 6, 2026 to discuss and answer questions regarding the April 17, 2026 Compliance Order, outstanding requirements, and work completed at your facility. After deliberations, a time extension for compliance with the Compliance Order was approved by the Board with the following terms:

- SweetLife will be granted an extension of 60 days from the date of the October 6, 2026 Board meeting to update and complete the mandated report. The new deadline is December 6, 2026.
- The report shall address all previous comments from the Division of Sewerage Management (DSM) and include a summary of test results at SweetLife's lift station to confirm that discharges to the municipal sewer system are in compliance with Rules and Regulations. 30-days of testing at various times was discussed.
- The report shall be stamped by a Professional Engineering registered in New York State.
- SweetLife and their consultants may contact Mr. Pecak with any questions of requests for clarification on requirements.
- Failure to comply will result in assessment of the remaining $7,500 fine held in abeyance per the April 17, 2026 Notice of Violation letter, along with other potential actions by the Board.

To reiterate: SweetLife and/or their engineering consultant may contact the DSM to clarify the Compliance Order requirements and/or the previous comments. Please contact me with any questions. I can be reached at (716) 858-6267 or via email at garry.pecak@erie.gov. A copy of the meeting minutes is attached for your reference.

Thank you,

Garry S. Pecak
