Sign up online:

1. Make sure you are eligible! All **HEAP** and **SNAP** recipients qualify for this program.
2. Find a recent electric bill with all pages.
3. Go to **erie.gov/eclipse/enroll** and press the CLICK TO ENROLL button.
4. Enter your zip code and click Find My Farm then click Enroll.
5. Enter your contact information and click the green arrow. You may be asked to verify your email address. If so, check your email for a message from Ampion.
6. Enter your electric utility account information. Upload a copy or photos of your bill.
7. Create a password.
8. Sign the contract in DocuSign. You're done

How does Community Solar work?

Community Solar is a program that allows renters and homeowners to benefit from clean energy, without solar panels on your home!

Step 1
The **NY Sun Program** helps build solar farms, often on fallow land or brownfields.

Step 2
Some of this clean energy is delivered to your home by **National Grid** and **NYSEG.**

Step 3
You receive **bill savings** for being a part of the program!
