

# 2026 Erie County Capital Projects Committee

## Public Comment Policy

---

Below is the official public comment policy of the 2026 Capital Projects Committee:

- The Erie County Capital Projects Committee welcomes input from the general public. The Chair of the Capital Projects Committee may authorize at their discretion, but is not required to allow, public participation on items on the agenda to ensure the orderly conduct of business during meetings.
- Remarks from all speakers will be limited to 2 minutes and take place at the conclusion of any new business prior to adjournment.
- Members of the public who would like to speak must request to do so in advance of the public comment period by (in person) signing up on the speaker list or (virtually) by “raising your hand” and indicating so to the webinar administrator.
- The Chair may allow additional time if doing so will further the duties and goals of the Capital Projects Committee. The Chair also has the ability to limit remarks from the public which are “repetitive” or “offensive.”
- Upon request, a member of the public may make a written comment in advance a Committee meeting to be either read aloud during the public comment period (if less than 300 words) or be submitted at the conclusion of a Committee meeting for inclusion in the official meeting minutes.
