NY MOSS

A Network for Municipal Sustainability Professionals

NEW YORK MEETING OF SUSTAINABILITY STAFF (NY MOSS)

NY MOSS is a new professional network of municipal sustainability practitioners from across New York State. We are a peer organized network that connects individuals for learning and collaboration on local sustainability challenges and goals. From villages to counties, our members are working together to build a hub for connection, support and growth.

WHAT WE OFFER

- ✓ Annual in-person summit
- ✓ NYS specific discussions about state programs and grants
- ✓ Member updates from across NYS
- ✓ Guest speakers
- ✓ Case studies, tools, lessons learned
- ✓ Open discussion & collaboration

MONTHLY MEETINGS

- Held virtually

When: Typically 3rd Thursday, 11 AM (schedule may vary).
