COVID-19 Vaccination Program Guidance

Priority Groups Eligible to be Vaccinated

All individuals age 12 and older are eligible to receive a Pfizer COVID-19 vaccine. However, minors ages 12 to 17 are NOT authorized to receive the Janssen or Moderna COVID-19 Vaccines. Individuals under 12 years of age are not currently eligible to receive ANY COVID-19 vaccine.

Minor Consent

For the purposes of this document, a minor is defined as an individual under the age of 18 years. Minors need parental or guardian consent to receive a COVID-19 vaccine, except in the rare instance where the minor is part of a group to whom the law gives the right to consent to their own care (e.g., emancipated minors, married minors, minors who are parents or pregnant, and minors in the military).

In general, it is strongly encouraged that a parent or legal guardian accompany a minor age 12 to 17 years to provide in-person consent for vaccination at each dose.

Vaccine Support/Medical Documentation Staff must document in the CDMS/Microsoft Notes section the name of the person providing consent for the minor. Verbal consent is allowed.

If a minor is unaccompanied, the provider will attempt to contact the parent or guardian by phone with a witness listening at the time of the minor's vaccination to provide consent to the provider. Providers can accept a written statement of consent from the parent or guardian, where the parent or guardian is not available by phone to provide consent to vaccinate an unaccompanied minor. The ECDOH COVID-19 Immunization Screening and Consent form may be considered for this purpose.

Erie County Department of Health will follow the above guidelines. All minors unaccompanied by a parent or guardian MUST bring the completed NYS COVID-19 Immunization Screening and Consent Form to the clinic or be able to contact parent or legal guardian by phone to provide consent. The Minor must also bring proof of date of birth (birth certificate, passport, learning permit/driver's license, benefits care, etc.) and photo ID (passport, learning permit/driver's license, school ID, etc.)
