

CULTURAL SERVICES CONTRACT

THIS CONTRACT, made as of the 1st day of January, 2024, effective through December 31, 2024, by and between **THE COUNTY OF ERIE**, a municipal corporation of the State of New York, having its principal place of business at 95 Franklin Street, in the City of Buffalo, New York, 14202 (the “County”), and **NAME** (the “Organization”), a not-for-profit corporation, having its principal place of business **ADDRESS**.

WITNESSETH:

WHEREAS, the County, pursuant to the authority granted to it by Sections 224 and 225 of the County Law and Local Law No. 3-2002, has appropriated funds in the County’s 2024 Budget for the purpose of making a conditional grant to the Organization; and

WHEREAS, the County and Organization wish to more specifically define the terms and conditions related to the payment of said conditional grant to the Organization by the County and the obligations of the Organization upon receipt of said conditional grant.

NOW, THEREFORE, IT IS MUTUALLY AGREED BY AND BETWEEN THE PARTIES:

1. The Organization agrees to provide public benefit services for and within Erie County as specified in the Scope of Work which is attached hereto and incorporated herein as **Exhibit A** (“Scope of Work”). No funds granted under this Contract shall be applied to any purposes other than those described in paragraph 22 below.
2. In support of such public benefit services, the County agrees to pay to the Organization, subject to the terms and conditions enumerated herein, an amount not to exceed **\$0.00.00 (Dollars)**, within 30 days of the execution of this Contract.

Payments shall be made on one invoice submitted by the Organization to the Erie County Department of Environment and Planning (the “Department”) and approved by the Department. The Department will approve payment once it has received the invoices and signed attestation regarding the Organization’s financial documentation as described in **Exhibit B** as “Additional Understandings”. The invoice should be dated the same date as the Contract signed by the Organization

3. This Contract shall be deemed executory only to the extent of funds available as determined by the Budget Director and appropriated by the County for the performance of the terms hereof, and no liability on account thereof shall be incurred by the County beyond such funds. Funds provided pursuant to this Contract shall not be used for any purpose prohibited by law.

This Contract is also subject to further financial analysis of (1) the impact of any New York State Budget (the “State Budget”) proposed and adopted during the term of this Contract; and (2) the impact of any federal government budgetary actions, including but not limited to the “sequestration” process. The County shall retain the right, upon the occurrence of any release by

the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and following certain congressional budgetary actions and adjustments through sequestration or related legislative actions, and for a reasonable period after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget or sequestration on County finances. After such analysis, the County shall retain the right to either terminate this Contract or to change the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Organization, then the Organization shall have the right to terminate this Contract upon reasonable prior written notice.

4. Notwithstanding any contrary provision of this Contract, or any provision of the County's current budget, the County Executive may reduce the total amount of funds in this Contract, and not yet paid to the Organization, upon ten (10) days written notice.

5. The Organization shall maintain complete, accurate and current records of all financial transactions relating to its operation and the services performed pursuant to this Contract. During the term of this Contract and at any time within six (6) years thereafter, the Organization shall make such records available, upon request, to the County for review. The County shall have the right, upon reasonable notice and at reasonable times, to inspect the books and records of the Organization, its offices and facilities, for the purpose of verifying information supplied to the County or for any other purpose reasonably related to monitoring the services to be performed by the Organization pursuant to this Contract.

6. The Organization agrees to furnish to the County any management letter, if issued and independent auditor's report and related financial statements and notes made for it or for other agencies and available to it, which reflects the receipt and use of funds paid to it hereunder, within thirty (30) days after receipt of the request.

7. The Organization also agrees to make available to the County for inspection at reasonable times and places, its current membership and Board of Trustees/Directors lists, financial reports, and minutes of its last annual meeting, Board of Directors or Trustees meetings, and such other minutes as may be pertinent to the operation of such Organization in the public interest. No such membership list shall be published or be made available for any commercial use.

8. To the extent that the funds provided by this Contract are for specific activities or services, the Organization agrees to furnish verified accounts of its disbursements hereunder, together with certified or verified invoices thereto attached, in such form and detail as may be required by the County, and at such times as the County may determine up to and including one year following termination of this Contract.

9. The County may, at its option, audit such books and records of the Organization as are reasonably pertinent to this Contract to substantiate the basis for payment. The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one year following termination of this Contract. Any expenditure determined by audit to be inconsistent with this contract may be disallowed by the County and shall be subject to refund by the Organization to the County.

10. a. The Organization agrees to refund to the County any unused amount of monies paid to it hereunder, that is, any amount of said moneys encumbered by any current operating expenses, it being understood that in the event the unencumbered revenue of the Organization exceeds its expenses for the Organization's fiscal year, the Organization shall refund to the County within ninety (90) days of the Organization's audit report that part of the surplus which bears the same ratio to the total surplus as the amount actually paid to the Organization by the County bears to the total revenue of the Organization.

b. In determining whether a surplus is accrued by the Organization during the fiscal year, pursuant to subdivision "a" of this paragraph, all revenue of the Organization, not expressly restricted to a particular purpose by the grantor of the revenue, shall be deemed "operating revenue". All encumbered expenses of the Organization, other than those paid from funds specifically restricted to a particular purpose by a grantor, or paid from a segregated capital fund, shall be deemed "operating expense". The Organization shall be deemed to have a surplus if operating revenue exceeds expenses before any transfer of operating revenue into capital, endowment or other restricted funds or accounts.

c. Upon showing in writing to the Budget Director of the County that such a refund would cause extreme hardship to the Organization owing to unforeseen or unanticipated circumstances, the Budget Director may, subject to approval by the Erie County Legislature, authorize the Organization to retain all or part of any funds which the Organization would otherwise be required to refund to the County under this paragraph if the Legislature determines that such retention is consistent with the purpose and intent of this agreement, as applicable. Such authorized retained funds shall be used only for the purposes authorized under this Contract, but may be expended in the calendar year subsequent to this Contract.

11. The Organization agrees to perform the public benefit services which are the object of this Contract as an Independent Contractor and neither it nor any of its employees, members, directors, agents, or representatives shall be or hold themselves out to be employees, officers, agents or representatives of the County.

12. The Organization shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations. The Organization shall further comply, at its own expense, with all applicable rules, regulations and licensing requirements pertaining to its professional status and that of its employees, partners, associates, subconsultants and others employed to render the services hereunder.

13. The Organization shall be fully accountable for its performance under this Contract and it and its officers agree to answer under oath all questions relative to the performance hereof, and to any transaction, act or omission, had, done or omitted in connection herewith if called before any judicial, county, state or federal agency empowered to investigate this Contract or its performance.

14. The Organization shall not delegate any duties or assign any of its rights under this Contract without the prior express written consent of the County. The Organization shall not subcontract any part of the services without the written consent of the County, subject to any necessary legal approvals. Any purported delegation of duties, assignment of rights or subcontracting of services

under this Contract without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontracts are subject to all terms and conditions set forth in this Contract. It is recognized and understood by the Organization that for the purposes of this Contract, all services performed on an approved subcontract shall be deemed services performed by the Organization and the Organization shall insure that such subcontracted service is subject to the material terms and conditions of this Contract.

15. The Organization shall indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Organization or third parties under the direction or control of the Organization; and to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Contract and to bear all other costs and expenses related thereto.

16. During the term of this Contract, the Organization agrees to procure and maintain insurance coverage naming the County as additional insured: Commercial General Liability with a minimum combined single limit of bodily injury and property damage of \$1,000,000 per occurrence and general aggregate of \$1,000,000. The Organization shall provide a Certificate of Insurance as evidence of such coverage(s) on the County of Erie Standard Insurance Certificate or its equivalent.

In the event that the Organization utilizes vehicles, whether owned, leased, hired/borrowed or non-owned, in the performance of the services provided pursuant to this Contract, the Organization agrees to procure and maintain insurance coverage.

The Organization shall further provide evidence of workers compensation insurance on NYS Form C105.2 or U26.3 obtained from insurer. If there are no paid employees of the Organization, the Organization shall provide a "Certificate of Attestation of Exemption from New York State Workers' Compensation and/or Disability Benefits Insurance Coverage" (Form CE-200) which can be obtained at the State Worker's Compensation Board website: www.wcb.ny.gov.

Attached hereto and incorporated herein as **Exhibit C** are copies of the Organization's Certificates of Insurance evidencing the aforementioned coverage.

17. The County and the Organization and their respective employees are not and shall not be considered as joint venturers, employees, partners or agents of each other and neither shall have the power to bind or obligate the other except as set forth in this Contract. There shall be no liability on the part of the County or Organization to any person for any debts incurred by the other.

18. In the event of a breach or default by the Organization of any of the terms and conditions of this Contract, the County may terminate this Contract on ten (10) days written notice to the Organization and request such other remedy as may be reasonable and appropriate in view of the circumstances of such breach or default, including but not limited to, reimbursement to the County by the Organization of all or part of the funds granted to the Organization under this Contract.

19. The Organization shall comply with Erie County Executive Order 13 (2014) and agrees to complete the Certificate collectively attached hereto as **Exhibit D** and made a part hereof. The Organization shall make such records available, upon request, to the County's Division of Equal Employment Opportunity for review. The County shall have the right, upon reasonable notice and at reasonable times, to inspect the books and records of the Organization its offices and facilities, for the purpose of verifying information supplied in the Erie County Equal Pay Certification and for any other purpose reasonably related to confirming the Agency's compliance with Erie County Executive Order 13 (2014). Notwithstanding the termination provisions contained herein, violation of the provisions of Executive Order 13 (2014) , may constitute grounds for the immediate termination of this Agreement and may constitute grounds for determining that the Organization is not qualified to participate in future County contracts.

20. The Organization agrees to comply with the terms, if any, of the resolution of the County Budget, and implementing resolutions appropriating funds for this Contract.

21. The Organization agrees to acknowledge in any and all promotional material the fact that the Organization receives financial support from the County, including, but not limited to the Organization's website, marketing materials and/or other publications.

22. Except as specifically provided otherwise in this Contract, the use of County funds shall be limited to current operating expenses including salaries, program costs, fringe benefits, rents, utilities, office supplies and equipment. No County funds shall be used for or applied toward any capital project or improvement, nor as a set-off against accounts receivable. No funds received under this Contract shall be used for any service provided or activity performed outside Erie County.

23. County funds may be used for the purchase of alcohol if: (1) the organization holds or obtains a license or permit as issued by the New York State Liquor Authority to serve, sell or distribute alcohol prior to the date of the event where alcohol will be served, sold or distributed and (2) the serving, selling or distribution of alcohol occurs during public programming or public events specifically related to the furtherance of the cultural mission or operation of the organization. This excludes internal meetings such as staff, Board or Committee meetings. It is required that all organizations serving, selling and/or distributing alcohol obtain Liquor Liability Insurance for all events.

24. County funds must be maintained in a separate account, or the grant recipient must be able to account for the receipt, obligation, and expenditures of all County funds in the account and must be able to report on the use of funds as if the accounts were separate.

23. Erie County strongly encourages all not-for-profit agencies that contract with the County of Erie to participate in the community service component of the County's Welfare to Work Initiative. This program places qualified public assistance recipients in community service placements. Clients participating in this component must work in their respective community assignments as a condition for receipt of welfare benefits. An agency representative should contact the Director of Employment and Training Program, Erie County Department of Social Services,

for additional information regarding this program.

24. This Contract and its attachments constitute the entire Contract between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. It shall not be released, discharged, changed or modified except by an instrument in writing signed by a duly authorized representative of each of the parties.

In the event of any conflict between the terms of this Contract and the terms of any schedule or attachment hereto, it is understood that the terms of this Contract shall be controlling with respect to any interpretation of the meaning and intent of the parties.

25. Nothing herein is intended or shall be construed to confer upon or give to any third party or its successors and assigns any rights, remedies or basis for reliance upon, under or by reason of this Contract, except in the event that specific third party rights are expressly granted herein.

26. This Contract may be executed simultaneously in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Contract shall be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that any cause of action arising out of this Contract shall be brought in the County of Erie.

If any term or provision of this Contract is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Contract shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.
