### **Connection/Repair/Disconnect Permits\***

Permits issued at the main office of each Region listed above for the Erie County Sewer District (ECSD) in which your property is located. Applications can be completed and printed from our website [www.erie.gov/sewerpermit](http://www.erie.gov/sewerpermit) then signed and submitted by email (if processing with a credit card) or by mail to be processed by check (all permit types) or cash (only accepted for repairs, disconnects, and renewals).

### **Sewer Emergency Situations in a County Sewer District, during off hours:**

\*The Sewer District Main Offices are open Monday through Friday from 8:00 AM to 4:00 PM. For 24-Hour Emergency Response call (716) 823-8188.

### **Digging Projects:**

Before you dig, contact Dig Safely New York, they are the Underground Facilities Protective Organization (UFPO) at 1-800-962-7962 or 811. Information can be found on their website at <http://www.digsafelynewyork.com/> IT'S THE LAW! You must call for a stake-out request at least 2 working days, but not more than 10 working days before any excavation starts (excluding weekends and holidays). This organization will notify all utilities to mark their locations in the area to be excavated.
