**\*\* MEMORANDUM \*\***

---

**FROM:** Matt A. Salah, P.E., Sr. - Coordinator Sewer Construction Projects *MAS*  
**TO:** David Millar, P.E., Asst. Deputy Commissioner  
**DATE:** February 6, 2024  
**RE:** Out of District customer request

---

I received the attached email from Jason Richey. on February 1, 2024.  
Jason purchased a parcel in ECSD No. 2, along Lake Shore Rd, in the Town of Hamburg, known as SBL No. 180.20-1-13 (0.5 AC +/-), see attached map.

This parcel is within the bounds of ECSD No. 2 and sewers are available along Birchwood Drive and Cavalier Court, however, those sewers may not be accessible or feasible for a single family home. The closest sewers and feasible option for this lot to be serviced by a low-pressure grinder pump and 240 lineal feet of 2-inch forcemain is within the bounds of ECSD No. 3 sewer system along West Lane, see attached sketch.

Jason is requesting to connect a proposed single-family home to the ECSD no. 3 sewer system along West Lane as an out of district customer.

Please present this request to the ECSD No. 3 Board of Managers, at their next meeting, for their consideration and approval. If approved the DSM will execute an out of district agreement with the owner.

As always if you have any questions, please let me know.

You don't often get email from richyjason@gmail.com. [Learn why this is important](#)

**[Caution: this email is not from an Erie County employee: attachments or links may not be safe.]**

I apologize Matt I may have confused Sewer districts , so please switch the district numbers :)

Hello Matt,

As per our conversation , I am looking to attach to the Sewer main I believe to be on West Lane st in Lakeview NY , but as you described it is in Sewer District 2 . The Lot/ Parcel that I would like to connect is in Sewer district 3 , but seems to be a lot farther away and or has many easements to deal with. So My request is to attach to sewer district 2.

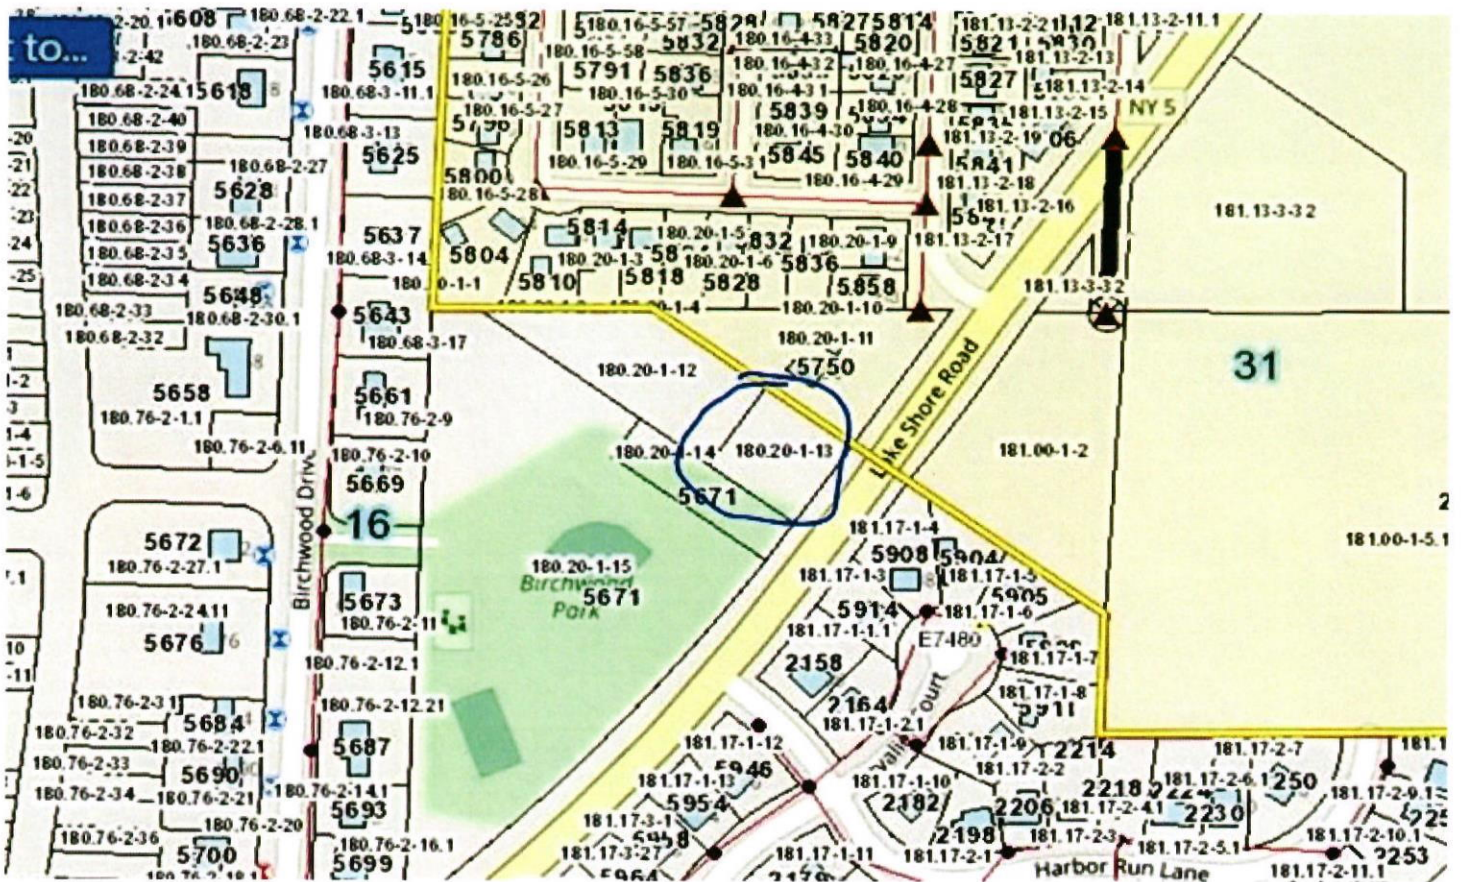

Thank you for your attention to this matter.

Thank you and all who are involved in approving this request .

I look forward to hearing from you.

Thank you
