RE: Seneca Creek Road Sewer Replacement Project
Contract No. 48
ECSD No. 1 Board of Managers Recommendation for Approval

Bids were opened for Erie County Sewer District (ECSD) No. 1, Contract No. 48, Seneca Creek Road Sewer Replacement on January 21, 2026. Six (6) bids were received. Two (2) of the bids were determined to be non-responsive due to Local Law requirements missing at bid; therefore, only four (4) of the bids could be considered for Contract No. 48. The total cost submitted by the low bidder, Visone Construction, Inc. was \$169,944.00. This is below the Engineer's Estimate of \$208,000.00. The second lowest bid was \$249,875.00. The bid tabulations, Engineer's estimate and Engineer's recommendation are enclosed.

The Division of Sewerage Management (DSM) has reviewed the bid and believe it is fair. The bid package was complete and properly filled out. Visone Construction, Inc. has submitted a responsive bid. The DSM has contacted Visone Construction, Inc. to discuss the bid, and their representative stated that they were confident in their bid price and wanted to proceed with the work. The contractor has been recognized as a responsible company and has successfully completed projects of this scale for the DSM in the past. The County's EEO office is currently reviewing the proposed M/WBE and SDVOB Utilization Plan. The Erie County Department of Environment and Planning recommends the award of Contract No. 48 to the aforementioned lowest responsible bidder. The funding source would be through the ECSD No. 1 Capital Bond Account C.25101.

The DSM would like to have this item considered by the ECSD No. 1 Board of Managers at the next Board meeting which is scheduled for Friday, February 6, 2026. For your use, I have enclosed a resolution for formal recommendation of the award of Contract No. 48.

RE: Erie County Sewer District No. 1, Contract No. 48
Seneca Creek Road Sewer Replacement
Contract Award to Visone Construction, Inc.
Engineer Recommendation

Bids were opened for Erie County Sewer District (ECSD) No. 1, Contract No. 48 Seneca Creek Road on January 21, 2026. Six (6) bids were received. Two (2) of the bids were determined to be non-responsive due to local law requirements missing at bid, therefore, only four (4) bids could be considered for Contract No. 48. The bid tabulations are enclosed. The total cost submitted by the low bidder, Visone Construction, Inc. was \$169,944.00. This is below the Engineer's Estimate of \$208,000.00. The second lowest bid was \$249,875.00; therefore, the lowest bid is considered competitive for the work specified. The bid tabulations and Engineer's estimate are enclosed.

The Division of Sewerage Management (DSM) has reviewed the bid. The bid package was complete and properly filled out. Visone Construction, Inc. is experienced in the type of work specified for this project. The DSM has contacted Visone Construction, Inc. to discuss the bid, and their representative stated that they were confident in their bid price and wanted to proceed with the work. They have successfully completed projects of this scale for the DSM in the past. Visone Construction, Inc. is recognized as a responsible company and capable of being able to provide the necessary manpower and equipment for this contract. The County's EEO office is currently reviewing the proposed M/WBE and SDVOB Utilization Plan.

Per Local Law No. 2 (2021), the ten (10) calendar day period for receipt of public comments pertaining to bidder responsibility has elapsed and no comments have been received by the Commissioner.

It is recommended that the Contract be awarded to Visone Construction, Inc., Inc. at a total bid of \$169,944.00.
