RE: Connecting to Sanitary Sewer, 1465 Wisconsin Rd, Derby- SBL# 206.00-4-16

Dear Christopher Baldwin,

We received the notice regarding connecting to the Erie County sanitary sewer system. At this time, we will not be connecting our home to the system. We have a septic tank that is in good working condition and has been inspected. It will cause financial hardship to pay for this switch, which we cannot afford at this time.

Sincerely,

Travis and Lindsay Sipos

1465 Wisconsin Rd
Derby, New York 14047
