Re: Erie County Sewer District No. 2 (ECSD 2)
Request to Remain on Septic – 1465 Wisconsin Rd
Board of Managers (BOM) Approval

Dear Mr. and Mrs. Sipos,

As a follow up to your letter dated November 24, 2025 and our subsequent verbal notification, this letter confirms that the ECSD 2 BOM approved your request at their February 5, 2026 meeting for the above noted address to remain on septic and not connect to the available sanitary sewer at this time. As your property is located within ECSD 2 and has sanitary sewer available, the property will continue to be responsible for all sewer charges shown on the taxes for SBL 206.00-4-16

Your request sent to the BOM by letter (attached) has a condition on the approval: when the septic system fails, the property located at 1465 Wisconsin Rd must connect to the sanitary sewer available. A map of the sanitary sewer available is attached on the next page for your records. A permit must be taken out to connect to the sanitary sewer. More information can be found online at www.erie.gov/sewerpermit or by emailing srpermits@erie.gov. The ECSD 2 office can be reached at 716-549-3161.

Should you have any questions, please contact me at 716-858-8437 or angela.horton@erie.gov

Sincerely,

Angela M. Horton, P.E.
