DATE: June 5, 2026
RE: North Evans Pumping Station (PS) and Herr Road PS
Backup Battery Energy Storage System (BESS) - Contract No. 107
ECSD No. 2 Board of Managers Recommendation for Approval

Bids were opened for Erie County Sewer District (ECSD) No. 2, Contract No. 107, North Evans PS and Herr Road PS Backup BESS on June 3, 2026. One (1) bid was received for Contract No. 107. The total lump sum cost submitted by the sole bidder for Contract 107, MORS Service Group, LLC (MORS), was \$322,102.00, which includes a \$15,000 contingency. The Engineer's Estimate for this project was \$326,054.00.

The Division of Sewerage Management (DSM) has reviewed the bid and believes it is fair. The bid package was complete and properly filled out. MORS has submitted a responsive bid. The contractor has been recognized as a responsible company. The County's EEO office previously issued a waiver for the M/WBE and SDVOB requirements on 4/20/26.

The DSM recommends proceeding with the award of Contract No. 107 to MORS as the lowest responsible bidder following the expiration of the 10-day public comment period on 6/13/26 as required by Local Law No. 2 (2021). The project will be funded from ECSD No. 2's Operating Budget.

The DSM would like to have this item considered by the ECSD No. 2 Board of Managers at the next Board meeting, which is scheduled for June 11, 2026. For your use, I have enclosed a resolution for formal recommendation of the award of Contract No. 107.

RE: Erie County Sewer District No. 2 (ECSD 2) – Contract 107
North Evans Pumping Station (PS) and Herr Road PS
Backup Battery Energy Storage System (BESS)

Bids were opened for ECSD 2, Contract 107, North Evans PS and Herr Road PS Backup Battery Energy Storage System (BESS) on June 3, 2026. One (1) bid was received and considered. The total cost submitted by the apparent low bidder (MORS Service Group LLC) was \$322,102.00, which includes a \$15,000 contingency. The bid was below the Engineer's Estimate of \$326,054.00. The bid tabulation including the Engineer's Estimate is attached.

The Division of Sewerage Management (DSM) has reviewed the bid and believe it is fair. The bid package was complete and properly filled out. MORS Service Group LLC is experienced in the type of work specified for this project and they have successfully completed an installation of a BESS for us in 2025. The County's EEO office granted a full waiver for MWBE and SDVOB goals on April 20, 2026. The County's EEO office was sent all the information pertaining to this contract.

Per Local Law No. 2 (2021), the ten (10) calendar day period for receipt of public comments pertaining to bidder responsibility will be completed on June 13, 2026.

Following the expiration of the 10-day public comment period on 6/13/26, it is recommended that the Contract be awarded to MORS Service Group LLC at a total bid of \$322,102.00.
