DEPARTMENT OF ENVIRONMENT & PLANNING
DIVISION OF SEWERAGE MANAGEMENT
**** MEMORANDUM ****

TO: Nadine R. Wetzel, P.E., Secretary - ECSD No. 4 Board of Managers
FROM: Mary L. Plesh, P.E., Senior Sanitary Engineer
DATE: June 2, 2026
RE: Depew Pumping Station Improvements
Contract No. 61
ECSD No. 4 Board of Managers Recommendation for Award Approval

Bids were opened for Erie County Sewer District (ECSD) No. 4, Depew Pumping Station Improvements Project, Contract No. 61 on May 28, 2026. This project has three (3) construction contracts; Contract 61-A General Construction, Contract 61-B Heating & Ventilation Construction, and Contract 61-D Electrical Construction. Four (4) complete bid packages were considered for Contract 61-A, two (2) complete bid packages were considered for Contract 61-B, and three (3) complete bid packages were considered for Contract 61-D. The lowest responsible bidders and bid amount for each contract are as follows:

<u>Contract</u>	<u>Lowest Responsible Bidder</u>	<u>Amount</u>
Contract 61-A	STC Construction, Inc. 63 Zoar Valley Road, P.O. Box 459 Springville, NY 14141	\$ 3,218,000.00
Contract 61-B	Quackenbush Co., Inc. 495 Kennedy Road Buffalo, NY 14227	\$ 294,900.00
Contract 61-D	Concord Electric Corporation 305 Pinewild Drive, Suite 4 Rochester, NY 14606	\$ 1,982,301

The Division of Sewerage Management (DSM) has reviewed the bids, and the apparent low bidders have submitted responsive bids. The bid tabulations, Engineer's estimate, and Engineer's recommendation are enclosed. The total cost for the three (3) contracts of \$5,495,201.00 is below the engineer's estimate of \$5,835,000.00. GHD Consulting Services, Inc., the engineering consultants for the design of this project, have reviewed the bids for the contracts, believes the contract bids are both fair and competitive, and recommends the acceptance of the bid proposals for Contract Nos. 61-A, 61-B and 61-D. Based on the funding available, DSM recommends awarding all alternate bid items.

STC Construction, Inc., Quackenbush Co. Inc., and Concord Electric Corporation have successfully completed projects of similar size and scope for the DSM in the past. The County's

Here 5(c)

Department of EEO has reviewed the proposed M/WBE and SDVOB Utilization Plans and Apprenticeship Plans of each low bidder. The DSM recommends the award of Contract Nos. 61-A, 61-B and 61-D to the aforementioned lowest responsible bidders. Funding for Contract No. 61 will be allocated from the remaining balance in Capital Bond Account C17401 the rest from Capital Reserves.

Please have these items considered by the ECSD No. 4 Board of Managers at the June 10, 2026 meeting. For your use, I am enclosing a resolution for formal recommendation of the award of Contract No. 61.
