Dear Mr. Pecak:

Re: Request for Extension – Submission of Evaluation Report

Sucro Sourcing LLC respectfully requests a two-week extension of the deadline for submission of the evaluation report required under the compliance order issued by the ECSD No. 6 Board of Managers.

The extension is requested due to a recent change in ownership of the engineering firm originally retained to complete the required analysis. This transition has affected the project schedule and the firm's ability to complete the required scope of work and prepare a thorough evaluation report within the original timeframe.

Sucro Sourcing LLC remains committed to completing the required evaluation and submitting a complete and technically sound report. We respectfully request approval of this two-week extension.

Thank you for your consideration. Please contact me if any additional information is required.

Sincerely,

Matt Riggi
Terminal Manager
