RE: Broadway East Pumping Station (PS) Generator Replacement - Contract 62
ECSD No. 4 Board of Managers Recommendation for Approval

Bids were opened for Erie County Sewer District (ECSD) No. 4, Contract No. 62, Broadway East Pumping Station (PS) Generator Replacement on October 22, 2025. Two (2) bids were received for Contract No. 62, with the lowest responsible bidder being Concord Electric Corporation, for a total of \$274,000, which includes a \$10,000 contingency. The Engineer's Estimate for this project was \$250,000.00.

The Division of Sewerage Management (DSM) has reviewed the bid and believes it is fair. The bid package was complete and properly filled out. Concord Electric Corporation has submitted a responsive bid. The contractor has been recognized as a responsible company per their references. A memo was sent to the County's EEO office for review of the proposed M/WBE and SDVOB Part A.

The Erie County Department of Environment and Planning recommends the award of Contract No. 62 to Concord Electric Corporation as the lowest responsible bidder. Originally the DSM intended to fund a portion of this work through Account 561410 "Lab & Technical Equipment"; however, after a review of available 2025 balances it is recommended that ECSD No. 4's Capital Bond Account C.17401 be the funding source for the entire project.

The DSM would like to have this item considered by the ECSD No. 4 Board of Managers before the next Board meeting, which is scheduled for December 3, 2025. Please poll the members for the Board's approval of the Award of Contract. For your use, I have enclosed a resolution for formal recommendation of the award of Contract No. 62.

**** MEMORANDUM ****

TO: Joseph Fiegl, P.E., BCEE, Deputy Commissioner
FROM: Angela M. Horton, P.E., Senior Sanitary Engineer *AMH*
DATE: November 6, 2025
RE: Erie County Sewer District No. 4 (ECSD 4)
Broadway East Pumping Station (PS) Generator Replacement
Contract No. 62

Bids were opened for ECSD 4, Contract 62, Broadway East Pumping Station (PS) Generator Replacement on October 22, 2025. Two (2) bids were received and considered. The total cost submitted by the apparent low bidder (Concord Electric Corporation) was \$274,000.00, which includes a \$10,000 contingency. The bid was higher than the Engineer's Estimate of \$250,000. The bid tabulation including the Engineer's Estimate is attached.

The Division of Sewerage Management (DSM) has reviewed the bid and believe it is fair. The bid package was complete and properly filled out. Concord Electric Corporation is experienced in the type of work specified for this project. They have successfully completed projects of this size in the past and references have been checked with positive feedback. The MWBE and SDVOB Part A were submitted within 3 business days following the bid opening. The County's EEO office was sent all the information pertaining to this contract.

Per Local Law No. 2 (2021), the ten (10) calendar day period for receipt of public comments pertaining to bidder responsibility has elapsed and no comments have been received by the Commissioner.

It is recommended that the Contract be awarded to Concord Electric Corporation at a total bid of \$274,000.00.
