

Erie County is partnering with **AMPION** to provide Community Solar Services.

ECLIPSE Community Solar

- **Save Money:** Community Solar can save you up to **10%** on your annual electricity costs *in addition to* any other utility assistance you may receive. *Participation does not affect other benefits like HEAP!*
- **No Extra Costs:** It's **free**, and ***your utility service stays the same!*** No extra bills, credits are applied directly to your utility account.
- **No Equipment:** Community Solar lets you benefit from solar projects located in our region, with ***no changes to your home!***
- **Who Can Join:** **Renters** and **homeowners** in **Erie County** who qualify for federal or state assistance. A full list of programs listed on the back of this flyer.
- **Why:** Because **everyone** deserves access to clean renewable energy, and **Erie County is making it happen!**

Enroll online!

How to sign up for ECLIPSE Community Solar:

1. Find your eligible program below and scan the QR code, or go to erie.gov/eclipse/enroll, and click 'GET STARTED'.

Based on your eligible program, some steps below may not apply.

2. When you have collected your necessary documents (if any), and arrive at the Ampion page, input your email and zip code.

3. Enter your name, contact information, and address. Select "yes" if you are receiving federal or state aid programs. Indicate which program you are enrolled in and upload evidence. This could be an award letter, utility bill, or eligibility email.
4. Use a recent electric utility bill to fill out the form, or enter your utility account username and password. If filling it out manually, select your utility, enter your account number and upload a copy or a photo of your bill.
5. You'll be prompted to verify your email address. Look out for an email from Ampion. This may take a few minutes.

6. Sign the contract in DocuSign. You're done!

Eligible Program List: Scan the QR code to enroll!

If you participate in the programs below, scan here. **You will need an email address and a recent electric utility bill.**

- FPHA (Section 8)
- HEAP (LiHEAP)
