Scan for our Community Events
calendar, or go to erie.gov/eclipse

Sign up online:

1. Choose your program option:

Option A.

For Erie County residents that participate in the following programs:

- HEAP or LIHEAP
- FPHA (Section 8)
- Medicaid
- SNAP

Option B.

For Erie County residents that participate in the following programs, or do not participate in assistance programs:

- ACP
- Lifeline
- Empower+
or
- Non-LMI homes

Can't scan? Go to erie.gov/eclipse/enroll

2. Enter your zip code and click **Enroll**. Find My Farm then click

3. Enter your contact information and click the green arrow. You may be asked to verify your email address. If so, check your email for a message from Ampion.

4. **For Option B only:** Select "yes" if you participate in ACP, Lifeline, or Empower+. Choose your program and upload evidence. This could be an award letter, utility bill, or eligibility email.

5. Enter your electric utility account information. Upload a copy or photos of your bill.

6. Create a password.

7. Sign the contract in DocuSign. You're done!

Make your home or apartment more energy efficient

EmPower+ is a program that helps low and moderate-income households in NY save energy and money through property improvements. EmPower+ is open to homeowners and renters of 1-4 family buildings in New York State.

A small improvement makes a big difference

Just a few energy improvements can save you cash on your energy bills. Here are some examples of upgrades you could receive — at no charge!

- Home Energy Assessment
- New energy-efficient lighting
- Weather-stripping
- CO/Smoke Detector
- Plus, we'll show you additional ways to use less energy in your daily routine, saving you more money

Some households may also be eligible for other improvements at low or no cost, such as:

- Attic, wall, and rim joist insulation
- Air-sealing to reduce drafts
- Health & safety items
- Mobile-home underbelly insulation

Are you eligible? Let's see!

No-cost or low-cost energy efficiency improvements are available for low and moderate-income homeowners and renters. To learn more, call 1-866-NYSERDA or visit nyserdera.ny.gov/empower-apply and fill out an application today.

Once you're approved, a participating contractor will schedule a free energy assessment of your home or apartment. Your assessment will identify areas of opportunity and pinpoint the ways we can help your home be more energy efficient, healthier and comfortable and save you money.
