Becoming rentABLE

<https://www.becomingrentable.com/>

Becoming rentABLE was founded in 2021, after years of struggling to find truly accessible short-term rental properties. To have an accessible property means that there are no barriers to entry for anyone; elderly relatives, a family member with a physical disability or a friend who has been temporarily disabled. Each would have access to something that everyone should have access to, a place where memories can be made and a chance to live their best life.
