INSTRUCTIONS TO ASSIST IN COMPLETING **ATTACHMENT C: PERSONAL FINANCIAL STATEMENT WORKSHEET**

This instruction sheet is intended to provide guidance on how to complete the **Attachment C: Personal Financial Statement Worksheet** for the Division of Equal Employment Opportunity office. The Personal Financial Statement Worksheet should be completed by all minority or woman business owners upon which Minority and Women Owned Business Enterprise ("MWBE") certification is based in order to determine the individual net worth of each minority or woman applicant. Once the individual net worth has been determined, that figure should be used to complete **Attachment A: Personal Net Worth Affidavit**, a required document to be submitted for each minority or woman applicant upon which certification is based as part of the **MWBE Certification Application** for Erie County MWBE certification. Each minority or woman upon which MWBE certification is based will need to complete and include their personal net worth documentation as part of the MWBE supporting documentation required for all firms seeking MWBE certification with Erie County.

All documents referenced above are available online:

<https://www3.erie.gov/eo/>

The personal net worth of each individual upon which certification is relied upon cannot exceed 15 million dollars. According to Article 15-A of the Executive Law: for certification purposes, an individual's personal net worth shall mean the aggregate adjusted net value of the assets of an individual remaining after total liabilities are deducted. Personal net worth includes the individual's share of assets held jointly with said individual's spouse but does not include the individual's ownership interest in the certified minority and women-owned business enterprise; the individual's equity in his or her primary residence; the individual's ownership interest in a holding company established for the exclusive and sole purpose of leasing machinery, equipment, or vehicles exclusively to the certified minority or women-owned business enterprise, that is majority owned by the minority group member or women relied upon for certification, and the holding company does not own any other assets of any kind; or up to seven hundred and fifty thousand dollars of the present cash value of any qualified retirement savings plan or individual retirement account held by the individual less any penalties for early withdrawal.

General Instructions

You must fill out all line items on the **Attachment C: Personal Financial Statement Worksheet** to the best of your ability. On the form, indicate if financial information is for a "married individual" or "single individual." On a separate sheet, identify all property that is not held jointly or as community property, and include values and ownership. If necessary, you can use additional sheet(s) of paper to report all information and details. Once you have determined your adjusted personal net worth, you will transfer that figure to **Attachment A: Personal Net Worth Affidavit**.

Do not include the following in the final Net Worth calculation:

- *the individual's ownership interest in the applicant firm;*
- *the individual's equity in his or her primary residence;*
- *The individual's ownership interest in a holding company established for the exclusive and sole purpose of leasing machinery, equipment, or vehicles exclusively to the certified minority or women-owned business enterprise, that is majority owned by the minority group member or women relied upon for certification, and the holding company does not own any other assets of any kind;*
- *up to seven hundred and fifty thousand dollars of the present cash value of any qualified retirement savings plan or individual retirement account held by the individual less any penalties for early withdrawal.*

If you reside in a community property state, all assets and liabilities, **except** the ownership interest in the firm, should be halved accordingly on the form, unless there is a separate property agreement that stipulates sole ownership by one individual.

FOR EXAMPLE: John and Mary Smith jointly own their primary residence valued at \$100,000. They each claim 50% ownership on the property. John Smith would only report his 50% interest, \$50,000, on his Personal Net Worth Statement. If you do not reside in a community property state, assets and liabilities may be halved if jointly owned. If assets and liabilities are separately owned, these items should only be reported on the respective owner's form. The preceding does not address each item on the form; however, we have identified certain items on the form that you should pay special attention to since these items are commonly reported inaccurately or misrepresented.

If you have any questions about completing this form, please contact the Erie County Division of Equal Employment Opportunity Office at (716) 858-7542.

Be sure to sign, date, and include your social security number at the end of the statement.

Do not leave any sections blank. Incomplete forms will be returned, and will cause delays in processing the application associated with the net worth documentation.
