INSTRUCTIONS TO ASSIST IN COMPLETING **ATTACHMENT C: PERSONAL FINANCIAL STATEMENT WORKSHEET**

This instruction sheet is intended to provide guidance on how to complete the **Attachment C: Personal Financial Statement Worksheet** for the Division of Equal Employment Opportunity office. The Personal Financial Statement Worksheet should be completed by all minority or woman business owners upon which Minority and Women Owned Business Enterprise ("MWBE") certification is based in order to determine the individual net worth of each minority or woman applicant. Once the individual net worth has been determined, that figure should be used to complete **Attachment A: Personal Net Worth Affidavit**, a required document to be submitted for each minority or woman applicant upon which certification is based as part of the **MWBE Certification Application** for Erie County MWBE certification. Each minority or woman upon which MWBE certification is based will need to complete and include their personal net worth documentation as part of the MWBE supporting documentation required for all firms seeking MWBE certification with Erie County.

All documents referenced above are available online:

<https://www3.erie.gov/eeo/>

The personal net worth of each individual upon which certification is relied upon cannot exceed 15 million dollars. According to Article 15-A of the Executive Law: for certification purposes, an individual's personal net worth shall mean the aggregate adjusted net value of the assets of an individual remaining after total liabilities are deducted. Personal net worth includes the individual's share of assets held jointly with said individual's spouse but does not include the individual's ownership interest in the certified minority and women-owned business enterprise; the individual's equity in his or her primary residence; the individual's ownership interest in a holding company established for the exclusive and sole purpose of leasing machinery, equipment, or vehicles exclusively to the certified minority or women-owned business enterprise, that is majority owned by the minority group member or women relied upon for certification, and the holding company does not own any other assets of any kind; or up to seven hundred and fifty thousand dollars of the present cash value of any qualified retirement savings plan or individual retirement account held by the individual less any penalties for early withdrawal.

General Instructions

You must fill out all line items on the **Attachment C: Personal Financial Statement Worksheet** to the best of your ability. On the form, indicate if financial information is for a "*married individual*" or "*single individual*." On a separate sheet, identify all property that is not held jointly or as community property, and include values and ownership. If necessary, you can use additional sheet(s) of paper to report all information and details. Once you have determined your adjusted personal net worth, you will transfer that figure to **Attachment A: Personal Net Worth Affidavit**.

Do not include the following in the final Net Worth calculation:

- *the individual's ownership interest in the applicant firm;*
- *the individual's equity in his or her primary residence;*
- *The individual's ownership interest in a holding company established for the exclusive and sole purpose of leasing machinery, equipment, or vehicles exclusively to the certified minority or women-owned business enterprise, that is majority owned by the minority group member or women relied upon for certification, and the holding company does not own any other assets of any kind;*
- *up to seven hundred and fifty thousand dollars of the present cash value of any qualified retirement savings plan or individual retirement account held by the individual less any penalties for early withdrawal.*

If you reside in a community property state, all assets and liabilities, **except** the ownership interest in the firm, should be halved accordingly on the form, unless there is a separate property agreement that stipulates sole ownership by one individual.

FOR EXAMPLE: John and Mary Smith jointly own their primary residence valued at \$100,000. They each claim 50% ownership on the property. John Smith would only report his 50% interest, \$50,000, on his Personal Net Worth Statement. If you do not reside in a community property state, assets and liabilities may be halved if jointly owned. If assets and liabilities are separately owned, these items should only be reported on the respective owner's form. The preceding does not address each item on the form; however, we have identified certain items on the form that you should pay special attention to since these items are commonly reported inaccurately or misrepresented.

If you have any questions about completing this form, please contact the Erie County Division of Equal Employment Opportunity Office at (716) 858-7542.

Be sure to sign, date, and include your social security number at the end of the statement.

Do not leave any sections blank. Incomplete forms will be returned, and will cause delays in processing the application associated with the net worth documentation.

CONTINGENT LIABILITIES

Contingent liabilities are liabilities that belong to you only if an event(s) should occur. For example, if you have co-signed on a relative's loan, but you are not responsible for the debt until your relative defaults, that is a contingent liability. Contingent liabilities do not count toward your net worth until they become actual liabilities.

As Endorser or Co-Maker: Enter the total potential liabilities due as a result of being a co-signer for a loan or other commitments.

Legal Claims and Judgments: Enter the potential liabilities due as a result of legal claims from judgments, lawsuits, etc.

Provisions for Federal Income Tax: Enter the total amount of all federal taxes for which you are potentially liable due to an anticipated gain on the pending sale of an asset or other circumstances, such as pending disputes or litigation which could possibly result in a personal tax liability.

Other Special Debt: Enter the total amount due on all remaining potential debts not accounted for.

SECTION 2. NOTES PAYABLE TO BANKS AND OTHERS

Enter the name and address of note holder(s), original balance, current balance, payment amount, frequency, and how secured for each note payable as entered in the “Liabilities” column. Do not include loans for your business or mortgages for your properties.

SECTION 3. STOCKS AND BONDS

Enter the number of shares, names of securities, cost, fair market value, and the date of fair market value for all shares of stock and bonds held. You may attach recent copies of your stock account listings. Do not include stock in your business.

SECTION 4. REAL ESTATE OWNED

Starting with your primary residence (be sure to identify it as your primary residence, *and DO NOT include this in the calculations on the first page of the Personal Net Worth Worksheet*), enter the type of property, address, date of purchase, original cost, present fair market value, name and address of mortgage holder, mortgage account number, mortgage balance, amount of payment, and status of mortgage for all real estate held. Please ensure that this section contains all real estate owned, including rental properties, vacation properties, commercial properties, etc.

Total “Present Market Value” amounts should correspond with the “Real Estate” amount listed in the “Assets” column. Additionally, total “Mortgage Balance” amounts should correspond with the “Mortgages on Real Estate” amount listed in the “Liabilities” column. Attach additional sheets if needed.

SECTION 5. OTHER PERSONAL PROPERTY AND OTHER ASSETS

For other personal property, include boats, trailers, jewelry, furniture, household goods, collectibles, clothing, etc. For other assets, include equity interest in other businesses, trusts, investments, etc.

SECTION 6. UNPAID TAXES

Describe in detail as to the type, to whom payable, when due, amount, and to what property, if any, the tax lien attaches. Please refer to the unpaid taxes listed in the "Liabilities" column. If none, state "NONE." This section should not include the contingent tax liabilities or anticipated taxes owed for the current year. For any unusually large amounts, you must include documentation, such as tax liens, to support the amounts.

SECTION 7. OTHER LIABILITIES

Describe in detail any other liabilities as referenced by the value listed in the "Liabilities" column. If none, state "NONE." For any unusually large amounts, you must include documentation, such as bills, to support the amounts.
