Mark C. Poloncarz

I welcome Erie County residents, as well as visitors to our region, to visit the local growers on Erie Grown and take advantage of our County's vast agricultural bounty. It's now more important than ever to support our agricultural sector and one of the most effective ways to do that is to purchase local farm products. Buying local fruits, vegetables, meat, eggs, honey and flowers not only supports our farmers, farm workers, and their families but also strengthens our economy. Please take advantage of this Erie Grown Passport to guide you to familiar farms and farm-related businesses and also help you plan to explore some you may never have visited before.

Enjoy your Erie Grown adventure and thank you for supporting Erie County agriculture!

Sincerely,

Erie County Executive Mark C. Poloncarz
