We are looking for representatives from each fire control in our county.

You will be the person to bring us what's going on in your departments, the needs of the firefighters in your area, and deliver what's happening countywide back to your agencies.

According to the Erie County Charter, this board shall be composed of twenty-five (25) members appointed by the County Executive for two years. At least eight of the members shall be active or exempt members of volunteer fire companies.

It shall be the duty of such board to cooperate with the state office of fire prevention and control in effectuating the purposes for which the office was established in relation to programs for fire training and mutual aid; to act as an advisory body to the county executive, the county legislature, the commissioner of emergency services and the deputy commissioner of fire safety in connection with county participation in programs for fire training and mutual aid, county establishment and maintenance of a county fire training school and mutual aid programs for fire and other emergencies in which the services of firemen would be used; and to perform such other duties as the county executive, the county legislature, the commissioner of emergency services or the deputy commissioner of fire safety may prescribe in relation to fire training and mutual aid for fire and other emergencies in which the services of firemen would be used.

The members of such board shall be county officers and shall serve without compensation. The terms of the office of the incumbent members of the fire advisory board shall continue for the periods for which such members shall have been appointed.
