

Firefighter II National Certification Exam

Description: The Office of Fire Prevention and Control (OFPC) is accredited by the National Board on Fire Service Professional Qualifications (commonly known as “The Pro Board”) to certify individuals who have met the requirements of the professional qualification standards established by the National Fire Protection Association (NFPA).

National certification serves as validation that an individual’s training, knowledge and skills meet nationally recognized standards and, by doing so, improve both the application of standardized qualification levels and the recognition and acceptance of training across jurisdictional boundaries.
