

Training Announcement

Fire Prevention and Control

Course Name: Ice/Cold Water Rescue Technician

Full Description: Advanced level ice rescue training including self-rescue, shore-based ice rescue techniques, and go ice rescue techniques. This is a hands-on training program which includes a significant amount of on ice time for skill practice. It also addresses the effects of cold water on victims, ice rescue techniques, offshore techniques, and ice rescue equipment. The course will include several scenarios-based ice rescue exercises.

Designed for: All emergency response personnel

Course Length: 16hrs

Course Number: 01-04-0021 - 149

Course Location(s): Orchard Park Fire Company
30 School Street
Orchard Park, NY 14127

Training Dates:

Saturday	3/7/26	08:00
Sunday	3/8/26	08:00

Prerequisites: None

Training Authorization Letters are required for this course. Please scan and email a valid Training Authorization Letter with the NYS course number listed to either alexander.doll@erie.gov, joleen.schlossin@erie.gov, or Jonathon.torre@erie.gov prior to the first day of class. A student will not be enrolled in a course if a valid TAL isn't on file. The application alone does not guarantee course enrollment. Any student who arrives on the first day of class without a valid TAL previously uploaded will be turned away.
