## Fire Prevention and Control

### Live Fire Instructor (NFPA 1041 – 2019 ed.)

**Full Description:** The Live Fire Instructor course prepares candidates to lead students, or functional groups, during live fire training evolutions. Students, as part of this course, conduct inspections of PPE, and SSCBA, lead students during live-fire evolutions, and monitor students to ensure participant safety. This course is designed to meet the competencies, and job performance requirements, found in Chapter 7 of NFPA 1041 – Fire and Emergency Services Instructor Professional Qualifications (2019 edition). In addition, students receive training in NFPA 1403 – Standard on Live Fire Evolutions to help ensure that live fire training evolutions are conducted with participant safety as the primary consideration. Students take part in, and are required to complete, multiple live-fire evolutions as part of this course.
