

Training Announcement

**Fire Prevention
and Control**

Course Name: Fire and Emergency Services Instructor II

Full Description: This is an upper-level course designed for the experienced fire service instructor. This course prepares the candidate to meet the instructor II job performance requirements as defined in NFPA 1041 “Fire Service Instructor Professional Qualifications,” including developing individual lesson plans, scheduling training sessions, budgeting, acquiring resources, developing and analyzing evaluation and feedback instruments, and supervising and coordinating the activities of other instructors. Due to the rigorous demands of this course, students are strongly encouraged to obtain lodging at the Academy. There is a lengthy pre-course reading assignment, and students complete a pre-test, final exam, independent assignments and one presentation during the course. The course includes homework and independent study. There is a dress code for candidates attending this course.
