Department of
Health**

Public Health
Prevent. Promote. Protect.

WHO WE ARE

Erie County Department of Health's Family Planning Center provides confidential, non-judgmental, comprehensive and patient-centered reproductive services regardless of age, gender, race, religious affiliation, sexual orientation and/or disability.

Values

- Excellence
- Confidential care
- Teen-friendly
- Integrity
- Compassion

We are dedicated to providing the best care, and will partner with you to develop a plan that fits your needs.

PAYMENT OPTIONS

Insurance

Most insurances are accepted for payment. All Erie County residents are seen regardless of ability to pay. Staff are available on-site to assist those who are uninsured in receiving low-cost or free family planning services and in applying for the Family Planning Benefit Program.

Family Planning Benefit Program

A public health insurance program for those who may not be able to afford family planning services.

Who is Eligible?

- New York residents, male or female
- Fall within certain income requirements, and are not already enrolled in Medicaid or Family Health Plus

To apply, bring

- Valid Photo ID (License, School ID)
- Proof of Income (4 weeks of pay stubs, proof of unemployment, or social security disability benefits)
- Proof of Address (post-marked rent receipt or a non-window envelope sent within the last month)
