Clinic Dashboard

Welcome to the New York State Medication Assisted Treatment and Emergency Referrals (MATTERS) system. You will be asked to provide some basic information about yourself along with your medical and substance use history. You will then be able to select which clinic location you desire to be seen at after discharge. Once you select the clinic location, you will receive a confirmation of your selection via email (if you provide an email address). In the next day or two, you you will receive a call from the clinic to solidify a time for your appointment. It is very important that you provide accurate phone contact information.
