# **WNY Response** **After Overdose**

## **WNY RESPONSE AFTER OVERDOSE** **PROJECT**

Erie County  
**HEALTH**

**WNY Response  
After Overdose**

Erie County  
**HEALTH**

# Goals

## Objective 1: Supplies

Make opioid overdose reversal supplies available to first responders and key community sectors

## Objective 2: Training

Train and provide resources for first responders and key community sectors to carry and administer emergency treatment of opioid overdose

## Objective 3: Treatment

Establish processes, protocols, and mechanisms for referral to appropriate treatment and recovery

- Reduced opioid overdose fatalities
- Enhance pathways to connect those experiencing opioid addiction to treatment
- Reduced stigma around opioid addiction
