

Erie County
Department of
Health

Public Health
Prevent. Promote. Protect.

Family Planning Center

Affordable. Confidential. Comprehensive.

Private, non-judgmental, and patient-centered reproductive services and education. All patients are seen regardless of age, gender, race, religious affiliation, sexual orientation and/or disability.

All insurances are accepted for payment.

All Erie County residents are seen regardless of ability to pay. Staff are available on-site to help those who are uninsured. Help with getting low-cost or free family planning services is available. Ask about the Family Planning Benefit Program.

Open weekdays;
some evening hours.
