

Secure Patient Portal

Through eriecounty.hprtl.com
(Aveva)

Provided by:

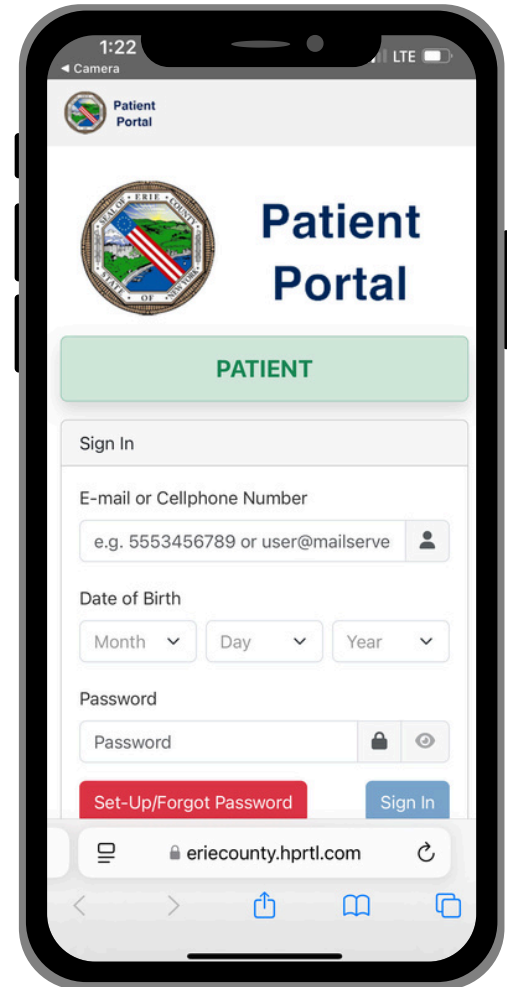

1) The first time you are registered, you will receive a text or email directing you to set up your Patient Portal access. You will choose your own secure password, and only you will have access to the Portal.

2) When your test results are available, you will receive a text or email notification directing you to sign into your Portal. (No results will ever be sent directly to your text or email.)

3) When you access your secure Portal, you can view your results on your phone, tablet or computer.

If you receive a message to contact the clinic, you must call the clinic to receive your results from a clinic staff member.
