Erie County Reentry Task Force

The Erie County Reentry Task Force (CRTF), overseen by the Erie County Department of Mental Health and the NYS Department of Corrections and Community Supervision and in partnership with the NYS Division of Criminal Justice Services, works with persons released from state prison and returning to Erie County communities.

The Erie CRTF is committed to helping its participants become stabilized by meeting basic living needs and providing essential services that foster independence, encourage positive personal growth and a change to non-criminal behavior.
