Opportunity Center**

**It doesn't matter where
you've come from, what
matters is where you're
going.**

**A Collaborative Effort Between
Community Agencies/Partners
and Erie County**

MISSION:

The Reentry Opportunity Center connects individuals to a comprehensive set of services – paving their way toward a brighter future aligned with their personal goals.

VISION:

We envision a community where stigma is eliminated, barriers are lifted, and second chances are fully realized.

VALUES:

We are:

Person-Centered – We meet each individual “where they are” and offer opportunities for personal empowerment.

Holistic – We work with the individual to identify and meet their various needs – personal, familial, educational, vocational, health, and other.

Collaborative – We engage in shared decision-making and collective action to facilitate individual, organizational, and community outcomes.

Future-Oriented - We seek to be equitable and restorative in the ways we work and find solutions that lead to positive change.

Data-Driven – We use information to guide our work especially as it relates to accessibility, programming, and quality of care.

Erie County Sheriff’s Office and in partnership with the Greater Buffalo Racial Equity Roundtable, an initiative of the Community Foundation for Greater Buffalo, established this Erie County Reentry Resource Center in the offices of ECDMH’s Forensic Mental Health Services located at:

120 West Eagle Street in Buffalo.
