

## Making Your Home Suicide-Safer

### A Guide to Reducing Risk in your Home

#### Tips and Guidelines for Using this Brochure

This brochure was developed by a sub-committee of the Suicide Prevention Coalition of Erie County. It is intended as a tool to be used by a mental health professional, including certified school personnel (e.g., school psychologists, school social workers and school counselors) in a session with an adult family member, parent/guardian, significant other or any adult who lives with a person in crisis. We recommend this brochure only be used as part of an educational discussion with a support person for the person in need. It is not intended for unmonitored general distribution, such as in a waiting room or at a tabling event, or as an electronic resource either distributed or to be posted on a website or other social media platform.

For additional copies, please contact us <http://suicidepreventionecny.org/get-involved/>.
