## SPECIFICATIONS

To be delivered in bulk on an "as needed" basis during the term of the contract to various Sewer District locations within Erie County. Locations are listed below.

Sewer District location will call vendor for delivery of product whenever needed.

Vendor is requested to quote a price per gallon. Price quoted is to be a delivered price to each of the locations listed.

Quoted price per gallon to remain firm through term of contract.

Quantities indicated are estimates. Sewer District locations may require more or less than number of gallons estimated.

Payment will only be made for actual number of gallons ordered and delivered.
