## **V. SCOPE OF PROFESSIONAL SERVICES REQUIRED**

### **INTRODUCTION**

The purpose of this request is to solicit applications to the Erie County Youth Bureau for 2024 Summer Primetime Programming. These awards are designed to promote positive youth development, prevent summer learning loss, and address long-term juvenile delinquency prevention within Erie County. As a trauma-informed organization, ECDSS incorporates the five principles of trauma informed care (collaboration, safety, trustworthiness, empowerment, and choice) throughout its services to promote resilience and healing. The mission of the Erie County Youth Bureau is to serve youth and families through positive youth development, advocacy, delinquency prevention and intervention programs that strengthen families and communities. All grants are appropriated by the Erie County Youth Bureau and Department of Social Services, and awarded to local applicants targeting 'at risk' youth under twenty-one years of age.

Eligible applicants are local youth bureaus/recreation departments in Erie County providing services to at-risk youth in the targeted age group. Organizations not part of a unit of local government must have their own 501(c)(3) status; use of other organizations' 501(c)(3) status as a "pass through" is not permitted. Charter schools may not apply; however, programs may take place at charter schools, provided that they are run by an eligible applicant. "Drop-in" programs are not allowed. Only one proposal per agency is permitted.

### **HISTORY AND CONTEXT**

The mission of the Erie County Youth Bureau is to serve youth and families through positive youth development, advocacy, delinquency prevention and intervention programs that strengthen families and communities.

The primary purpose of Summer Primetime funding is to support out-of-school time opportunities for youth during the high-risk summer months. Primetime has been provided each year for at least the last decade. In previous years, 60-70 organizations have been supported by Primetime.

### **SCOPE OF WORK**

Due to the limited amount of funding available, ONLY programs providing the below listed services as defined by the [OCFS Life Areas Coding Document](#) will be considered for funding. It is encouraged that all applicants utilize current research and best practice in any and all program design.

- Work Readiness Supports
- Year/Round Seasonal Activities
- Career Development Supports
- Healthy Lifestyles
- Life Skill Supports
- Academic Support Services
- Alcohol and Substance Abuse Prevention
- Youth Leadership/Empowerment Opportunities
- Juvenile Delinquency Prevention Services

When selecting a service category please refer to the specific program components and associated performance measures listed in the coding document, as all funded programs shall report the identified outcome measurements at the end of the award year. A clear plan on how this data will be captured will help ensure later success.

"At-Risk Youth" shall be described as any Erie County youth under twenty-one years of age and described as one or more of the following:

- Living within a family below 200% of federal poverty line
- At risk of becoming Persons In Need of Supervision (PINS)
- Juvenile delinquents or youth charged with committing a crime
- Victims of child abuse, domestic violence, maltreatment and/or neglect

- Exhibiting self-destructive behavior
- School dropouts
- Youth in need of safe places, caring adults &/or structured activities
- Youth with three or more hours of idle time per day
- Lack of parental support or positive role model
- Homeless youth or youth who has run away from home
- Considered for placement outside the home

## **GENERAL REQUIREMENTS:**

Successful proposers will:

- Run said program from June 24th through August 30, 2024. This is the equivalent of ten weeks. Programs are required to run 4-5 days per week for a minimum of six weeks during said time period.
- Maintain a child to staff ratio of no more than 15:1.
- Not turn away any youth based on the inability of a youth's family to afford any membership fees associated with program participation. A funded program may not charge a fee for programs without sufficient proof that a scholarship or tiered-cost system is utilized to ensure equal access to all participants regardless of financial resources.
- Participate in announced or unannounced monitoring visits during the course of the program period, in order to ensure safety and programmatic/fiscal accountability.
- Procure and maintain in force, for the duration of any contract, such insurance as is deemed appropriate by the Erie County Department of Social Services in types and in such amounts as are specified in the Erie County Standard Insurance Certificate, which shall be completed and signed by the Contractor's insurance company prior to contract execution. Said certificate need not be submitted with the proposal but will be required prior to contract execution and payment for services.
- Manage and retain a skilled and appropriately educated workforce.
- Attend specified trainings, as directed by the Erie County Youth Bureau.
- Maintain regular communication with ECDSS in a timely manner.
- Provide culturally appropriate services to individuals with special needs; i.e. disabilities, language and cultural barriers, etc., including language translation services, which can be included in budgeted direct operating costs.
- Manage funds from a government funding source and maintain billing systems. Note: An agency can utilize multiple funding sources, as long as monies are not claimed for the same expenses. Actively recruit and retain youth.
- Collect registration data, including participant demographic information, in a manner that allows for accurate reporting of anonymized aggregate data.
- Submit required data and abide by documentation regulations in a timely manner, as instructed, by the County, including the Erie County Youth Bureau Community Optional Preventive Services (COPS) report, the Erie County Youth Bureau/NYS Touchstones Primetime Report, and required financial reports and backup expenditure information.
- Perform self-monitoring of funded programs to ensure contract compliance, meeting of outcome goals and compliance with proper program documentation.

Features preferred:

- After hour and weekend programming.
- Meal or snack provided.
- Field trip(s), in-person or virtual, offered.
- Youth involved in the planning of program activities and/or scheduling.
- Youth receive a stipend for participation

## **VI. STATEMENT OF RIGHTS**

### **UNDERSTANDINGS**

**Please take notice**, by submission of a proposal in response to this request for proposals, the Proposer agrees to and understands:

- that any proposal, attachments, additional information, etc. submitted pursuant to this Request for Proposals constitute merely a suggestion to negotiate with the County and is not a bid under Section 103 of the New York State General Municipal Law;
- submission of a proposal, attachments, and additional information shall not entitle the Proposer to enter into an agreement with the County for the required services;
- by submitting a proposal, the Proposer agrees and understands that the County is not obligated to respond to the proposal, nor is it legally bound in any manner whatsoever by submission of same;
- that any and all counter-proposals, negotiations or any communications received by a proposing entity, its officers, employees or agents from the County, its elected officials, officers, employees or agents, shall not be binding against the County, its elected officials, officers, employees or agents unless and until a formal written agreement for the services sought by this RFP is duly executed by both parties and approved by the Erie County Legislature and the Office of the Erie County Attorney.

In addition to the foregoing, by submitting a proposal, the Proposer also understands and agrees that the County reserves the right, and may at its sole discretion, to exercise the following rights and options with respect to this Request for Proposals:

- To reject any or all proposals;
- To issue amendments to this RFP;
- To issue additional solicitations for proposals;
- To waive any irregularities or informalities in proposals received after notification to Proposers affected;
- To select any proposal as the basis for negotiations of a contract, and to negotiate with one or more of the Proposers for amendments or other modifications to their proposals;
- To conduct investigations with respect to the qualifications of each Proposer;

- To exercise its discretion and apply its judgment with respect to any aspect of this RFP, the evaluation of proposals, and the negotiations and award of any contract;
- To enter into an agreement for only portions (or not to enter into an agreement for any) of the services contemplated by the proposals with one or more of the Proposers;
- To select the proposal that best satisfies the interests of the County and not necessarily on the basis of price or any other single factor;
- To interview the Proposer(s);
- To request or obtain additional information the County deems necessary to determine the ability of the Proposer;
- To modify dates;
- All proposals prepared in response to this RFP are at the sole expense of the Proposer, and with the express understanding that there will be no claim, whatsoever, for reimbursement from the County for the expenses of preparation. The County assumes no responsibility or liability of any kind for costs incurred in the preparation or submission of any proposal;
- While this is an RFP and not a bid, the County reserves the right to apply the case law under General Municipal Law § 103 regarding bidder responsibility in determining whether a Proposer is a responsible vendor for the purpose of this RFP process;
- The County is not responsible for any internal or external delivery delays, which may cause any proposal to arrive beyond the stated deadline. To be considered, proposals MUST arrive at the place specified herein and be time-stamped before the deadline.

## **EVALUATION**

The following criteria, not necessarily listed in order of importance, will be used to review the proposals. The County reserves the right to weigh its evaluation criteria in any manner it deems appropriate:

- A determination that the Proposer has submitted a complete and responsive proposal as required by this RFP.
- Proposers MUST sign the Proposal Certification attached hereto as Schedule "A". Unsigned proposals will be rejected.

- Evaluation of the professional qualifications and experience of program staff.
- The Proposer's experience in performing the proposed services.
- The Proposer's financial ability to provide the services.
- Evaluation of the Proposer's fee submission. It should be noted that while price is not the only consideration, it is an important one.
- An evaluation of the Proposer's projected approach and plans to meet the requirements of this RFP.
- Proposers may be required to give an oral presentation to the County to clarify or elaborate on the written proposal. Any information shared by the Proposer's presentation will be considered while scoring.
- No proposal will be accepted from nor any agreement awarded to any Proposer that is in arrears upon any debt or in default of any obligation owed to the County. Additionally, no agreement will be awarded to any Proposer that has failed to satisfactorily perform pursuant to any prior agreement with the County.

## **EVALUATION PROCESS**

Each proposal will undergo an initial administrative review for completeness. In order for a proposal to be evaluated, it must include all required documents. Upon completion of the administrative review, and at the sole discretion of the Commissioner, the Department will request any missing documentation from the Proposer, and will review all documents for completeness upon receipt of the missing documents. All required documents for a complete proposal, as set forth in this RFP, must be submitted and be completed

to the satisfaction of the Department within forty-eight (48) hours of request in order for the proposal to be deemed responsive and eligible for Contract award.

Complete proposals will be judged by a scoring committee. The scoring committee will consist of Department of Social Services employees and experienced individuals from outside the Department. The proposal should be written so as to clearly articulate the services provided to someone not familiar with service delivery.

The proposals will be scored based on the overall proposal, population and goals, program plan, performance measurement, trauma informed, program staffing, accessibility plans, infrastructure, collaboration, experience, MWBE/SDVOB participation, compliance with RFP requirements and fiscal components.

## **CONTRACT**

After selection of the successful Proposer, a formal written contract will be prepared by the County and will not be binding until signed by both parties and, if necessary, approved by the Erie County Legislature, the Erie County Fiscal Stability Authority and the Office of the County Attorney. NO RIGHTS SHALL ACCRUE TO ANY PROPOSER BY THE FACT THAT A PROPOSAL HAS BEEN SELECTED BY THE COUNTY FOR SUBMISSION TO THE ERIE COUNTY LEGISLATURE AND/OR IF NECESSARY THE ERIE COUNTY FISCAL STABILITY AUTHORITY FOR APPROVAL. THE APPROVAL OF SAID LEGISLATURE AND/OR AUTHORITY MAY BE NECESSARY BEFORE A VALID AND BINDING CONTRACT MAY BE EXECUTED BY THE COUNTY.

The contract will include the submitted proposal and any subsequent agreement with the Department to service provision. The award period will be for a one-year term, with the option to renew for additional terms, subject to annual contract renewal, contingent upon the Proposer's successful implementation of the program, data collection, monitoring, goal attainment, and compliance with required reporting. Initial award and renewals are subject to inclusion of funding in the County Executive Recommended Budget and as adopted by the Erie County Legislature, as well as, contingent upon availability of New York State funds appropriated for this purpose.

## **INDEMNIFICATION AND INSURANCE**

The Proposer accepts and agrees that language in substantially the following form will be included in the contract between the Proposer and the County:

"In addition to, and not in limitation of the insurance requirements contained herein the Proposer agrees:

- (a) that except for the amount, if any, of damage contributed to, caused by or resulting from the negligence of the County, the Proposer shall indemnify and hold harmless the County, its officers, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorneys' fees or loss arising directly or indirectly out of the acts or omissions hereunder by the Proposer or third parties under the direction or control of the Proposer; and
- (b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

Upon execution of any contract between the Proposer and the County, the Proposer will be required to provide proof of the applicable insurance coverage.

Insurance coverage in amount and form shall not be deemed acceptable until approved by the County Attorney.

## **INTELLECTUAL PROPERTY RIGHTS**

If any of the deliverables do not qualify as “works made for hire”, the Proposer hereby assigns to the County all right, title and interest (including ownership of copyright) in such deliverables and such assignment allows the County to obtain in its name copyrights, registrations and similar protections which may be available. The Proposer agrees to assist the County, if required, in perfecting these rights. The Proposer shall provide the County with at least one copy of each deliverable.

The Proposer agrees to defend, indemnify, and hold harmless the County for all damages, liabilities, losses and expenses arising out of any claim that a deliverable infringes upon an intellectual property right of a third party. If such a claim is made, or appears likely to be made, the Proposer agrees to enable the County’s continued use of the deliverable, or to modify or replace it. If the County determines that none of these alternatives is reasonably available, the deliverable will be returned.

All records compiled by the Proposer in completing the work described in this Agreement, including but not limited to written reports, source codes, studies, drawings, blueprints, negatives of photographs, computer printouts, graphs, charts, plans, specifications and all other similar recorded data, shall become and remain the property of the County.
