FORMAL RESPONSE TO REQUESTS FOR CLARIFICATION

JUNE 2024

The following are the Erie County Division of Sewerage Management's (DSM's) formal responses to all requests for clarification received regarding the Request for Proposals (RFP) to Provide Engineering Design and Construction Phase Services for the ECSD No. 8 East Aurora WRRF Sand Filter Replacement project. This information is provided to those who have formally requested said responses, for use at their discretion, to develop respective proposals.

- (1.) **Can you confirm that the engineering is not funded through NYSEFC? We understand the County specific MWBE goals but want to make sure that we also incorporate NYSEFC requirements, if needed.**

Answer: Engineering services for this project will not be funded through the New York State Environmental Facilities Corporation (NYSEFC).

- (2.) **Can you confirm the funding source for construction and specifically if we should plan for NYSEFC to be involved?**

Answer: For the purposes of this project, please assume NYSEFC will not be involved.

- (3.) **If NYSEFC will be involved in funding the construction project, what is the Engineer's anticipated role in administration/coordination with EFC?**

Answer: For the purposes of this project, please assume NYSEFC will not be involved.

The Erie County Department of Environment and Planning, Division of Sewerage Management would like to thank you for your interest in this very important project.
