I. INTRODUCTION

The County of Erie, New York (the “County”) is currently seeking proposals from qualified agencies with a local presence (“Proposer”) that can demonstrate the capacity and experience in providing workforce development services in collaboration with Erie County Department of Social Services (ECDSS) and successfully implement and perform the scope of the Erie County Child Poverty Reduction Action Plan. The Erie County Child Poverty Reduction Action Plan is part of a TANF-funded Child Poverty Reduction Initiative (CPRI) in three Upstate communities to fund locally driven anti-poverty initiatives aimed at assisting children and families while reducing what are some of the highest child poverty rates nationwide. CPRI is a three-year demonstration with a state-funded evaluator that will provide both an implementation and outcome evaluation of all three initiatives over a three-year period. ECDSS utilizes a Solutions Focused Principles-Trauma Informed Care system of care framework and incorporates the principles of Diversity, Equity, and Inclusion (DEI) into its practices and procedures. Proposers interested in providing this service are invited to respond to this request.

In responding to this RFP, Proposers must follow the prescribed format as outlined. By so doing, each Proposer will be providing the ECDSS comparable, and thus, be assured a fair and objective treatment in the ECDSS review and evaluation process. It is the ECDSS’ intent to select the Proposer that provides the best solution for the ECDSS’ needs.

The County reserves the right to amend this RFP, reject any or all of the proposals, or any part thereof, submitted in response to this RFP, and reserves the right to waive any irregularities or informalities, if such action is deemed to be in the best interest of the County. The County reserves the right to request additional information from any Proposer, and to award negotiated contracts to one or more Proposers.

This RFP is not intended and shall not be construed to commit the County to pay any costs incurred in connection with any proposal or to procure or contract with any firm.

The County will only contract with firms that do not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation, citizenship status or any other status protected by New York State and Federal laws.

II. FUNDING AND BUDGET

A total of \$1.4 million is potentially available for the requested services.

The award is subject to annual contract renewal, contingent upon the Proposer’s successful performance of project objectives and the continued need and desire for such services as articulated by Erie County DSS. Initial award and renewals are contingent upon availability of New York State funds appropriated for this purpose and subject to the demonstrated fiscal and programmatic stability of the applicant agency, as well as their meeting all the Erie County Department of Social Services requirements. All contract appropriations are subject to Legislative approval. Future awards will be dependent on available funds and statewide evaluation results. More than one provider may be selected for funding for 2025.

V. SCOPE OF PROFESSIONAL SERVICES REQUIRED

INTRODUCTION

The SFY 2024-25 New York State Budget includes federal Temporary Assistance for Needy Families (TANF) funding to help families residing in the City of Buffalo move out of poverty and improve the well-being of families and children.

The Erie County Child Poverty Reduction Action Plan supports upward mobility for families experiencing poverty and which helps families obtain and maintain financial stability; and other factors that may impact a family, parent, or child's ability to stay above the poverty level. The goal of the incentive-based program is to improve employment outcomes for families and children and reduce the child poverty rate. Program aspects include life coaches, career coaches, financial literacy services, linkage to supports and resources, and authorization of incentivized direct cash assistance. The target implementation date is June 2025.

Erie County Department of Social Services is an outcomes-based organization. All contracted services are required to support the Department's mission to engage people in need and provide a broad range of efficient and effective assistance and services with community partners to facilitate a brighter future for the people of Erie County. As a trauma-informed agency, ECDSS recognizes the impact of trauma and incorporates principles of collaboration, safety, trustworthiness, empowerment, and choice throughout its services to promote resilience and healing. ECDSS also seeks to embrace and respect individual's differences and cultivate a diverse and inclusive environment to encourage all individuals with unique characteristics to contribute to their full potential. Any proposer chosen to partner with ECDSS in service provision must demonstrate their alignment with these principles in their overall project design, and in all aspects of its implementation.

HISTORY AND CONTEXT

The Child Poverty Reduction Act (“the Act”), signed into law by Governor Kathy Hochul on December 2, 2021, declared that poverty is a problem and a policy priority in New York State. The SFY 2024-25 New York State Budget includes federal Temporary Assistance for Needy Families (TANF) funding to help families residing in the City of Buffalo move out of poverty and improve the well-being of families and children.

SCOPE OF WORK

Program participants will be a part of a family residing in the city of Buffalo with a child under the age of 18, and who at the time of program enrollment has income at or below 100% of the Federal Poverty Level (FPL). Potential participants will be referred by the Department of Social Services, Live Well Erie community partners, and Head Start and Early Head Start programs. The program will support 600 families.

The program is a comprehensive approach, to provide strategies for families that facilitate improved economic stability, financial independence, empowerment and hope for a better future. The purpose of the RFP is to secure the services of agencies to provide one or more of the following five components:

1. Career coaching services to help develop career plans and set goals. Monitor goal progress and attainment of goals.
2. Life coaching services to address challenges and development of strategies to attain workforce goals, including financial literacy and household budgeting.
3. Administration (Bidders must bid on components 3A-C together.)

For example, the offeror may propose a specific pre and post survey that will be used with participants in setting and measuring goals. The offeror should not propose activities that would be used to evaluate the overall success of the program. The statewide evaluator will be responsible for measuring outcomes for all three CPRI initiatives and will work with the successful bidder to identify appropriate measures of program outcomes.
