

APPENDIX B
MESSAGE SCHEDULE

Erie County Parks Signage Message Schedule

Phase 2 Package – BASE BID

This section identifies the message to be applied to each signage element in the park.

Notes About the Schedule –

- All signs prior to fabrication/install will be reviewed for proper content, orientation, location, and general use. **Review should be completed by Erie County Parks Signage Coordinator and key Erie County DPW and DEP personnel.**
- All specific parks destinations and location messages will need to be **verified** before fabrication; this includes accurate shelter numbers, proper identification names, parks rules, etc.
- Refer to Sign Location Plans for specific placement of each sign.
- Refer to Standards Manual for more extensive descriptions, usage, content, and placement of signage types.
