## **I. INTRODUCTION**

ECDSS utilizes a Solutions Focused Principles-Trauma Informed Care system of care framework into its practices and procedures. Proposers interested in providing this service are invited to respond to this request.

In responding to this RFP, Proposers must follow the prescribed format as outlined. By so doing, each Proposer will be providing the ECDSS comparable data, and thus, be assured fair and objective treatment in the ECDSS review and evaluation process. It is the ECDSS’ intent to select the Proposer that provides the best solution for the ECDSS’ needs.

The County reserves the right to amend this RFP, reject any or all of the proposals, or any part thereof, submitted in response to this RFP, and reserves the right to waive any irregularities or informalities, if such action is deemed to be in the best interest of the County. The County reserves the right to request additional information from any Proposer, and to award negotiated contracts to one or more Proposers.

This RFP is not intended and shall not be construed to commit the County to pay any costs incurred in connection with any proposal or to procure or contract with any firm.

## V. SCOPE OF PROFESSIONAL SERVICES REQUIRED

### INTRODUCTION

Erie County Department of Social Services is an outcomes-based organization. All contracted services are required to support the Department's mission to engage people in need and provide effective services in collaboration with community partners. As a trauma-informed agency, ECDSS recognizes the impact of trauma and incorporates principles of collaboration, safety, trustworthiness, empowerment, and choice throughout its services to promote resilience and healing. Any proposer chosen to partner with ECDSS in service provision must demonstrate their alignment with these principles in their overall project design, and in all aspects of its implementation.

Erie County Department of Social Services Youth Bureau is seeking agencies to provide runaway and homeless youth (RHY) residential and non-residential services in Erie County effective October 1, 2026. RHY services are grounded in the positive youth development framework, recognizing youth's strengths and supporting them in making choices that improve their safety and personal development.

All residential programs must be certified by the Office of Children and Family Services (OCFS). Additional information on OCFS certification is available on the OCFS website at: <https://ocfs.ny.gov/programs/youth/rhy/starting-a-program.php>.

Non-residential RHY programs that serve the RHY population by providing services such as a hotline, drop-in center, street outreach or case management, in accordance with regulations of the Office of Temporary and Disability Assistance (OTDA) and OCFS, are eligible for RHY funding.

### HISTORY AND CONTEXT

Residential and non-residential crisis and transitional services for runaway and homeless youth services are to be provided in accordance with [Article 19-H of the Executive Law](#). RHY programs are governed by the rules and regulations of New York State.

- [9 NYCRR Subpart 182-1: Runaway and Homeless Youth Regulations for Crisis Programs](#)
- [9 NYCRR Subpart 182-2: Runaway and Homeless Youth Regulations for Transitional Independent Living Support Programs](#)

"Runaway youth" refers to a person under the age of eighteen years who is absent from their legal residence without the consent of their parent, legal guardian or custodian.

"Homeless youth" refers to a person under the age of twenty-one who is in need of services and is without a place of shelter where supervision and care are available.

"Youth in need of crisis intervention or respite services" refers to a person under the age of eighteen years who is a potential respondent under article seven of the family court act, who, with the consent of their parent or other person legally responsible for the youth, is determined by the local juvenile probation department or social services official to be in need of crisis intervention or respite services.

Currently, there are two RHY providers in Erie County with a capacity of 36 beds with crisis and transitional services, serving approximately 459 youth annually.

### RESIDENTIAL PROGRAM MODELS

#### Crisis Services Programs

RHY crisis services programs provide temporary shelter to runaway youth up to age 18. The goal of residential RHY crisis services programs is to support a safe reunification of a youth to their guardians, when appropriate. There are two types of Crisis Services Programs:

- **Runaway and Homeless Youth Shelter**

Often referred to as 'crisis shelters' or 'youth shelters,' these programs offer short-term, emergency housing for up to 20 youth. In general, youth can stay in these programs for up to 30 days, but in some circumstances as long as 120 days.

- **Interim Family Program**

Interim Family Homes provide short-term emergency shelter for up to two youth in the home of an individual or family with extra space to share. Homes can offer shelter to youth until their 21st birthday, or up to a youth's 25th birthday in some municipalities. Interim Family Homes are inspected and supervised by Interim Family Programs that are licensed by OCFS. Interim Family Programs are local agencies with expertise in RHY needs and development. They ensure safe and appropriate living conditions for the youth that stay in the Interim Family Homes they support.

### **Transitional Independent Living Support Program (TILP)**

TILPs are residential programs that provide longer-term housing to homeless youth between the ages of 16-25. These programs are designed to support homeless youth progress from crisis to independent living. There are two types of TILPs:

- **Supported Residence**

Supported residences provide an environment that resembles independent living (generally an apartment) for a maximum of five homeless youth who are between 16 and 21 years of age, up to 25 in some municipalities, and of the same gender.

- **Group Residence**

Group residences provide an environment that encourages the development and practice of independent living skills for a maximum of 20 homeless youth who are between the ages of 16 and 21 years, or up to 25 in some municipalities.

### **SCOPE OF WORK**

Residential and non-residential crisis and transitional services for runaway and homeless youth in Erie County are to provide a safe and supportive environment so that youth can become empowered and become independent. Selected agencies shall also provide outreach in the community to provide awareness of services available, including the 24 hour crisis help line; Safe Place program at TOPS Markets, NFTA bus and other designated locations; and the Compass House Resource Center.

- **Runaway Programs**

- Provide assistance to any runaway or homeless youth or youth in need of crisis intervention or respite services.
- Work collaboratively with Erie County departments and personnel, as applicable, including but not limited to DSS Child Welfare, Probation, Youth Services, JDST and the Family Services Team.
- Attempt to determine the cause for the youth's runaway or homeless status.
- Explain to the runaway and homeless youth their legal rights and options of service or other assistance available to the youth.
- Work towards reuniting youth with their parent or guardian as soon as practicable.
  - Preferably within twenty-four hours but within no more than seventy-two hours following the youth's admission into the program.
  - Notify runaway youth's parent, guardian or custodian of their physical and emotional condition, and the circumstances surrounding the runaway youth's presence at the program, unless there are compelling circumstances why the parent, guardian or custodian should not be so notified. Where such circumstances exist, the runaway program director or designee shall either file an appropriate petition in the family court, refer the youth to the local social services district, or in instances where abuse or neglect

is suspected, report such case pursuant to title six of article six of the social services law.

- Where custody of the youth upon leaving the approved program is assumed by a relative or other person, other than the parent or guardian, the staff of the program shall notify the parent or guardian as soon as practicable after the release of the youth. The officers, directors or employees of an approved runaway program shall be immune from any civil or criminal liability for or arising out of the release of a runaway or homeless youth to a relative or other responsible person other than a parent or guardian.
- Assist in arranging for necessary services for runaway or homeless youth, and where appropriate, their families, including but not limited to food, shelter, clothing, medical care, education and individual and family counseling. Where the approved runaway program concludes that such runaway or homeless youth would be eligible for assistance, care or services from ECDSS, it shall assist the youth in securing such assistance, care or services as the youth is entitled to; and immediately report to the Erie County child protective service where it has reasonable cause to suspect that the runaway or homeless youth has been abused or neglected or when such youth maintains such to be the case.
- **Transitional Independent Living Support Programs**
  - Provide shelter to homeless youth between the ages of 16-21.
  - Work toward reuniting such homeless youth with their parent, guardian or custodian, where possible.
  - Provide or assist in securing necessary services for such homeless youth, and where appropriate, their family, including but not limited to housing, educational, medical care, legal, mental health, and substance and alcohol abuse services. Where such program concludes that such homeless youth would be eligible for assistance, care or services from a local social services district, it shall assist such youth in securing such assistance, care or services.
  - For a homeless youth whose service plan involves independent living, provide practical assistance in achieving independence, either through direct provision of services or through written agreements with other community and public agencies for the provision of services in the following areas; high school education or high school equivalency education; higher education assessment; job training and job placement; counseling; assistance in the development of socialization skills; guidance and assistance in securing housing appropriate to needs and income; and training in the development of skills necessary for responsible independent living, including but not limited to money and home management, personal care, and health maintenance.
  - Provide residential services to a youth in need of crisis intervention or respite services.
  - Continue to provide services to a homeless youth who is not yet 18 years of age, but who has reached the eighteen months maximum, until they are 18 years of age or for an additional six months if they are still under the age of 18.

## **INTELLECTUAL PROPERTY RIGHTS**

The Proposer accepts and agrees that language in substantially the following form will be included in the contract between the Proposer and the County:

All deliverables created under this Agreement by the Proposer are to be considered "works made for hire". If any of the deliverables do not qualify as "works made for hire", the Proposer hereby assigns to the County all right, title and interest (including ownership of copyright) in such deliverables and such assignment allows the County to obtain in its name copyrights, registrations and similar protections which may be available. The Proposer agrees to assist the County, if required, in perfecting these rights. The Proposer shall provide the County with at least one copy of each deliverable.

The Proposer agrees to defend, indemnify, and hold harmless the County for all damages, liabilities, losses and expenses arising out of any claim that a deliverable infringes upon an intellectual property right of a third party. If such a claim is made, or appears likely to be made, the Proposer agrees to enable the County's continued use of the deliverable, or to modify or replace it. If the County determines that none of these alternatives is reasonably available, the deliverable will be returned.

All records compiled by the Proposer in completing the work described in this Agreement, including but not limited to written reports, source codes, studies, drawings, blueprints, negatives of photographs, computer printouts, graphs, charts, plans, specifications and all other similar recorded data, shall become and remain the property of the County. The Proposer may retain copies of such records for its own use.

NOTE: All contracts executed by the Erie County Department of Social Services will be posted electronically on the County's website.

### **NON-COLLUSION**

The Proposer, by signing the proposal, does hereby warrant and represent that any ensuing agreement has not been solicited, secured or prepared directly or indirectly, in a manner contrary to the laws of the State of New York and the County of Erie, and that said laws have not been violated and shall not be violated as they relate to the procurement or the performance of the agreement by any conduct, including the paying or the giving of any fee, commission, compensation, gift, gratuity or consideration of any kind, directly or indirectly, to any County employee, officer or official.

### **CONFLICT OF INTEREST**

All Proposers must disclose with their proposals the name of any officer, director or agent who is also an employee of the County. Further, all Proposers must disclose the name of any County employee who owns, directly or indirectly, an interest of ten percent (10%) or more in the firm or any of its subsidiaries or affiliates.

There shall be no conflicts in existence during the term of any contract with the County. The existence of a conflict shall be grounds for termination of a contract.

### **COMPLIANCE WITH LAWS**

By submitting a proposal, the Proposer represents and warrants that it is familiar with all federal, state and local laws and regulations and will conform to said laws and regulations. The preparation of proposals, selection of Proposers and the award of contracts are subject to provisions of all Federal, State and County laws, rules and regulations.

### **CONTENTS OF PROPOSAL**

The New York State Freedom of Information Law as set forth in Public Officers Law, Article 6, Sections 84 et seq., mandates public access to government records. However, proposals submitted in response to this RFP may contain technical, financial background or other data, public disclosure of which could cause substantial injury to the Proposer's competitive position or constitute a trade secret. Proposers who have a good faith belief that information submitted in their proposals is protected from disclosure under the New York Freedom of Information Law shall:

- a) insert the following notice in the front of its proposal:

#### **“NOTICE**

**The data on pages \_\_\_ of this proposal identified by an asterisk (\*) contains technical or financial information constituting trade secrets or information the disclosure of which would result in substantial injury to the Proposer's competitive position.**

**The Proposer requests that such information be used only for the evaluation of the proposal but understands that any disclosure will be limited to the extent that the County considers proper under the law. If the County enters into an agreement with this Proposer, the County shall have**

**the right to use or disclose such information as provided in the agreement, unless otherwise obligated by law.”**

**and**

b) clearly identify the pages of the proposals containing such information by typing in bold face on the top of each page " \* **THE PROPOSER BELIEVES THAT THIS INFORMATION IS PROTECTED FROM DISCLOSURE UNDER THE STATE FREEDOM OF INFORMATION LAW.**"

The County assumes no liability for disclosure of information so identified, provided that the County has made a good faith legal determination that the information is not protected from disclosure under applicable law or where disclosure is required to comply with an order or judgment of a court of competent jurisdiction.

The contents of the proposal, which is accepted by the County, except portions "Protected from Disclosure", may become part of any agreement resulting from this RFP.

## **EFFECTIVE PERIOD OF PROPOSALS**

All proposals must state the period for which the proposal shall remain in effect (i.e. how much time does the County have to accept or reject the proposal under the terms proposed). Such period shall not be less than one hundred eighty (180) days from the proposal date.
