I. INTRODUCTION

The County of Erie, New York (the “County”) is currently seeking proposals from qualified providers (“Proposer”) interested in providing Mental Health Services at Erie County Secure and Specialized Secure Detention. Proposers interested in providing this service are invited to respond to this request.

In responding to this RFP, Proposers must follow the prescribed format as outlined. By so doing, each Proposer will be providing the ECDSS comparable data, and thus, be assured fair and objective treatment in the ECDSS review and evaluation process. It is the ECDSS’ intent to select the Proposer that provides the best solution for the ECDSS’ needs.

The County reserves the right to amend this RFP, reject any or all of the proposals, or any part thereof, submitted in response to this RFP, and reserves the right to waive any irregularities or informalities, if such action is deemed to be in the best interest of the County. The County reserves the right to request additional information from any Proposer, and to award negotiated contracts to one or more Proposers.

This RFP is not intended and shall not be construed to commit the County to pay any costs incurred in connection with any proposal or to procure or contract with any firm.

The County will only contract with firms that do not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability, marital status, sexual orientation, citizenship status or any other status protected by New York State and Federal laws.

II. FUNDING AND BUDGET

A total of \$500,000 is potentially available for the requested mental health services for 2027.

The award is subject to annual contract renewal, contingent upon the Proposer’s successful performance of project objectives and the continued need and desire for such services as articulated by Erie County DSS. Initial award and renewals are subject to inclusion of funding in the County Executive Recommended Budget and as adopted by the Erie County Legislature, as well as, contingent upon availability of New York State funds appropriated for this purpose. All contract appropriations are subject to Legislative approval.

Future awards will be dependent on available funds and subject to the demonstrated fiscal and programmatic stability of the applicant agency, as well as their meeting all of the Erie County Department of Social Services requirements. More than one provider may be selected for funding for 2027.
