V. SCOPE OF PROFESSIONAL SERVICES REQUIRED

INTRODUCTION

Erie County Department of Social Services is an outcomes-based organization. All contracted services are required to support the Department's mission to engage people in need and provide a broad range of efficient and effective assistance and services with community partners to facilitate a brighter future for the people of Erie County. As a trauma-informed agency, ECDSS incorporates principles of collaboration, safety, trustworthiness, empowerment, and choice throughout its services to promote resilience and healing. Any proposer chosen to partner with ECDSS in service provision must demonstrate their alignment with these principles in their overall project design, and in all aspects of its implementation.

Erie County is subject to inclement winter weather that poses an imminent danger to public health and safety. To provide aid, care and support of persons in need and to protect and promote the health of its citizens, Erie County Department of Social Services takes all necessary steps to identify individuals reasonably believed to be homeless and unwilling or unable to find the shelter necessary for safety and health in inclement winter weather and move such individuals to appropriate sheltered facilities. Emergency Shelter and Supportive Services for the Homeless are a collaboration of community providers, 211 and City of Buffalo. The selected provider(s) will be the lead agency(ies). Services are to be provided October 2026 - May 2027 in accordance with ECDSS' plan submitted annually to New York State Office of Temporary and Disability Assistance (OTDA).

HISTORY AND CONTEXT

Historically one or two providers served the city and rural areas.

Per 18 NYCRR § 304.1, a Code Blue alert must be called when temperatures are expected to fall below 32°F with wind chill for at least two consecutive hours, based on the local forecast issued by the National Weather Service (<http://forecast.weather.gov/>) for the city, town or village within the district that is known to have the largest population of unsheltered homeless persons. Code Blue reimbursement is for essential, additional costs that are directly related to the requirements of the Code Blue regulation to provide shelter during inclement weather and are not already funded in any other way. Shelter services will be provided throughout the cold weather season, regardless of temperature. Only days and night meeting Code Blue criteria will be reimbursed by OTDA. Local funds will cover the costs of days and nights above 32 degrees.

Erie County is committed to providing Emergency Shelter and Supportive Services for the Homeless shelter throughout the cold weather season. As such, a low barrier shelter will remain open for the duration of the winter season, beginning on or about November 1st through April 30th or until deemed otherwise by the Department of Social Services.
