14. GRATUITIES, ILLEGAL OR IMPROPER SCHEMES. The County may terminate this agreement if it is determined that gratuities in the form of entertainment, gifts or otherwise were offered or given by a vendor, his agent or representative to any County official or employee with a view towards securing favorable treatment with respect to the awarding of this bid or the performance of this agreement. The County may also terminate this agreement if it is determined that the successful bidder engaged in any other illegal or improper scheme promotive of favoritism or unfairness incidental to the bidding process or the performance of this agreement. In the event that it is determined that said improper or illegal acts occurred, the County shall be entitled to terminate this agreement and/or exercise any other remedy available to it under existing law.

Proposals will be accepted in accordance with specifications on file or approved equal.

## DIVISION OF PURCHASE

### **MBE/WBE/SDVOB COMMITMENT CONSTRUCTION/MAINTENANCE SERVICES**

The Erie County Legislature enacted Local Law No. 5, which requires a commitment to utilizing Minority and Women-owned businesses (MWBE) by persons or firms contracting with the County of Erie for construction and maintenance services. This commitment was updated via Local Law No. 1 (2022). Additionally, the Erie County Legislature enacted Local Law No. 3 (2023), ensuring Service-Disabled Veteran-Owned businesses (SDVOB) have greater participation in Erie County Contracts.

#### **SECTION 1.**

The following provisions shall be inserted in, and made a condition of all bid specifications or requests for proposals prepared or administered by the Erie County Department of Public Works, Erie County Department of Parks, Recreation and Forestry, and/or the Erie County Department of Environment and Planning (including its Division of Sewage Management) and advertised after the effective date of this local law for any contract estimated by the County to exceed \$100,000 in cost (the "Construction Provision").

#### **A. Minority and Women Business Enterprise Utilization Commitment:**

Contractors awarded a contract by the County in a value of **\$100,000** or greater shall take action to create equal economic opportunity by utilizing bona fide MWBE and/or SDVOB for subcontracting on County projects.

Such equal economic opportunity action shall include, but not be limited to:

- (1) Utilizing a source list of MWBE and SDVOB compiled by the County or the State of New York;
- (2) Solicitation of bids from MWBE and SDVOB, particularly those located in Erie, Niagara, Cattaraugus and Chautauqua Counties;
- (3) Giving MWBE and SDVOB sufficient time to submit proposals in response to County solicitations;
- (4) Maintaining records showing MWBE and SDVOB and specific efforts to identify and award contracts to these entities; and
- (5) A goal of awarding a certain percentage of the total dollar value of the contract to MWBE and SDVOB, which shall be promulgated by the Director of the Division of Equal Employment Opportunity (DEEO) in accordance with the findings of the Erie County Disparity Study and in accordance with Section 11 of this local law.

B. Where the MWBE or SDVOB is a supplier, a credit of sixty percent (60%) of the dollar value of the subcontract between the MWBE or SDVOB and the contractor shall be awarded towards the fulfillment of the appropriate goal as set forth above, unless the supply budget for the overall project accounts for seventy-five percent (75%) or more of the total project budget, and in that instance a credit of one hundred percent (100%) of the dollar value of the subcontract between the MWBE or SDVOB and the contractor shall be awarded towards the fulfillment of the appropriate goal.

For the purposes of this provision, an MWBE or SDVOB shall be considered a 'supplier' when it assumes actual and contractual responsibility to furnish supplies or materials and is the manufacturer of those supplies or materials; or is recognized by the manufacturer involved as a distributor of its supplies or materials; and owns or leases a facility which is necessary and customary to carry out the purported function of the business; and distributes, delivers and services the supplies or materials with its own employees.

C. Where the MWBE or SDVOB performs a sales function, which is customarily performed as a distinct and necessary part of the supply process, the credit shall be the exact dollar value of the broker fees or the exact percentage of the markup on the product on a subcontract between the MWBE or SDVOB and the contractor. The sales credit will be awarded toward the fulfillment of the appropriate goal. Where the MWBE or SDVOB performs a function or service, which is commercially unnecessary, such as acting as a passive conduit in the supply process, or duplicating a service provided by others in the same supply chain from manufacturer to purchaser, no credit will be granted toward the appropriate goal.

A goal of awarding at least ten percent (10%) of the total dollar value of the contract to MBE, at least two percent (2%) of the total dollar value of the contract to WBE, and at least six percent (6%) of the total dollar value of the contract to SDVOB or, for those contracts governed by federal or state regulations with respect to MBE, WBE and/or SDVOB hiring the prevailing percentage set forth therein, whichever is higher, subject to waiver as provided below.

D. Each Contractor bidding on a County contract shall submit to the County, with the bid, a list of all MWBE and/or SDVOB with

whom the Contractor has signed a binding contractual agreement, or is presently negotiating an agreement, for the purposes of meeting the minority and women business enterprise utilization goal provided for in section A(5) of this law. Such a list *must be signed by the MWBE and/or SDVOB* with whom the Contractor is seeking to utilize. A Contractor's bid shall not be considered where the contractor fails to submit such a signed list of MWBE and/or SDVOB as provided herein. A Contractor's bid shall not be considered where examination of said list of MWBE or SDVOB evidences failure by the contractor to comply with the equal economic opportunity action requirements provided for herein, except that the County may, upon written request by the contractor, grant a complete or partial waiver of the provisions when the availability of MWBE or SDVOB in the market area of the project is less than the goals above. Upon a written request by the Contractor, the County, through its Erie County DEEO, may grant a complete or partial waiver of the requirement for subcontracting with an MWBE or SDVOB when an MWBE or SDVOB for the project is not available; *if an appropriate, fully executed request for waiver and good faith effort log is submitted.*

E. As evidence of compliance with the goals set forth in this law, within fifteen (15) business days of the bid opening, the contractor shall submit to the County a schedule for MWBE or SDVOB participation, including the name(s) of the MWBE and/or SDVOB with whom the contractor intends to subcontract, specifying the agreed-upon price to be paid for such work, and identifying in detail the Contractor item(s) or parts to be performed by each MWBE or SDVOB. A letter of intent to enter into a subcontract or purchase agreement, contingent upon contract award by the County, and indicating the agreed-upon price and scope of work shall be provided, signed by both the contractor and the MWBE or SDVOB.

F. As evidence of compliance with the goals set forth in this law, the Contractor shall provide to the County copies of all subcontracts and/or purchase agreements with MWBE or SDVOB for the contract within fifteen (15) business days of the contract award. A notice to proceed with construction shall not be issued until the County receives such documentation.

G. As evidence of compliance with the goal set forth in this law, when the project is thirty percent (30%) complete, the Contractor shall submit a list of the MWBE or SDVOB with whom the contractor has entered into a binding agreement for subcontracting under this contract to the County. The same information is required when the project is at seventy-five percent (75%) completion and a final accounting must accompany the final payment request to the County.

H. Failure to comply in good faith with the provisions set forth herein shall constitute a breach of the contract, subject to all remedies available to the County, including but not limited to the assessment of liquidated damages or other contractual penalties, as reasonable and appropriate.

I. In the event of non-compliance with subparagraphs D, E, and F provisions by a successful low bidder Contractor, the County has the discretion to proceed with negotiations with the next two lowest or qualified bidders.

J. All appropriate goals, ownership status, and compliance with the provisions of this law shall be certified by the Erie County DEEO after review of appropriate documents and investigation.

For the purpose of this section, the following terms mean:

"Minority Business Enterprise" (MBE) shall mean a for-profit business, which performs a commercially useful function, which is at least fifty one percent (51 %), owned by a minority group member, or in the case of a publicly owned business, at least 51 % of all stock is owned by minority group members. For the purposes of this provision, a minority group member is a person who is a citizen or permanent resident alien of the United States who is African-American, Hispanic, Latino, Asian-American, or Native American.
