A clause shall be inserted in all specifications of contracts hereafter made or awarded by an officer, board or agency of a political subdivision, or any district therein, prohibiting any contractor, to whom any contract shall be let, granted or awarded, as required by law, from assigning, transferring, conveying, subletting or otherwise disposing of the same, or of his right, title or interest therein, or his power to execute such contract, to any other person or corporation without the previous consent in writing of the officer, board or agency awarding the contract.

COUNTY OF ERIE

DIVISION OF PURCHASE

PURCHASES BY OTHER LOCAL GOVERNMENTS OR SPECIAL DISTRICTS

The Erie County Legislature has adopted the following resolution for the purpose of allowing the following-named local governmental or school districts to make purchases through the County bidding procedures.

Under the following conditions, the Director of Purchase may make purchasing services available to the following 88 participants:

1. When in the opinion of the Director of Purchase it will not create any burden or hardship upon the County and the anticipated prices will not be adversely affected thereby, the Director is authorized when he deems appropriate and as may be requested by the participants to provide in any particular County bid specification that the participants in Erie County shall have the right to make purchases based upon the bids received by the County.
2. The County Purchase Director, within the limits of his time and manpower, shall disseminate relevant contract information to the participants.
3. The participants in County contracts will issue purchase orders directly to vendors within the specified contract period referencing the County contract involved and be liable for any payments due on such purchase orders.

Bidders shall take notice that as a condition of the award of a County contract pursuant to these specifications, the successful bidder agrees to accept the award of a similar contract with any of the participants in Erie County if called upon to do so. The County, however, will not be responsible for any debts incurred by participants pursuant to this or any other agreement.

Necessary deviations from the County's specifications in the award of a participant's contract, particularly as such deviations may relate to quantities or delivery point, shall be a matter to be resolved between the successful bidder and participants. All inquiries regarding prospective contracts shall be directed to the attention of:

DIVISION OF PURCHASE CONSTRUCTION/RECONSTRUCTION CONTRACTS

1. DISCRIMINATION. The successful bidder agrees:

(a) that in the hiring of employees for the performance of work under this contract or any subcontract hereunder, no contractor, subcontractor, nor any person acting on behalf of such contractor or subcontractor, shall by reason of race, creed, color, sex or national origin discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;

(b) that no contractor, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this contract on account of race, creed, color, sex or national origin;

(c) that there may be deducted from the amount payable to the contractor by the County of Erie under this contract a penalty of fifty dollars for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of the contract;

(d) that this contract may be cancelled or terminated by the County of Erie and all monies due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms or conditions of this section of the contract; and

(e) the aforesaid provisions of this section covering every contract for or on behalf of the County of Erie for the manufacture, sale or distribution of materials, equipment or supplies shall be limited to operations performed within the territorial limits of the State of New York. (N.Y. State Labor Law Article 8 Section 220-e)

(f) Provisions of the State Law Against Discrimination also prohibit discrimination in employment because of age.

2. CONSTRUCTION, RECONSTRUCTION, OR REPAIR CONTRACTS FOR PUBLIC WORKS FACILITIES are subject to minimum wage rates, as established by the State of New York Department of Labor. The successful bidder on any contract for public works to which the provisions of the New York State Labor Law Article 8 apply agrees that:

(a) No laborer, workman or mechanic in the employ of the contractor, subcontractor or other person doing or contracting to do the whole or a part of the work contemplated by the contract shall be permitted or required to work more than eight hours in any one calendar day or more than five days in any one week except in cases of extraordinary emergency including fire, flood or danger to life or property. (Section 220, subd. 2, N.Y. State Labor Law)

(b) Each laborer, workman or mechanic employed by the contractor, subcontractor or other person doing or contracting to do the whole or part of the work contemplated by the contract shall be paid not less than the hourly minimum rate of wage and provided supplements not less than the prevailing supplements as designated by the New York State Industrial Commission. (Section 220, subd. 3, N.Y. State Labor Law)

Wage and supplement rates are on file in the Division of Purchase.

3. AFFIRMATIVE ACTION PROGRAM AFFECTING CONSTRUCTION CONTRACTS. The Erie County Legislature has adopted a resolution directing that County Construction Contracts require the contractor to take affirmative action to secure equal opportunity for minority group workers and to comply with the Affirmative Action Program of the County of Erie. The Legislative resolution provides that a contract for the purchase of equipment involving installation work by building trade employees shall be considered a construction contract if the number of such employees on the job site shall at any time exceed ten (10). If the contractor intends to have more than ten (10) such employees on the job site at any one time, it shall be the contractor's obligation to make a written request to the Director of the Division of Purchase for a copy of the special conditions pertaining to affirmative action. The contractor shall not, at any time, place more than ten (10) such employees on the job site except in compliance with the said resolution and the said special conditions.

MBE/WBE/SDVOB COMMITMENT CONSTRUCTION/MAINTENANCE SERVICES

The Erie County Legislature enacted Local Law No. 5, which requires a commitment to utilizing Minority and Women-owned businesses (MWBE) by persons or firms contracting with the County of Erie for construction and maintenance services. This commitment was updated via Local Law No. 1 (2022). Additionally, the Erie County Legislature enacted Local Law No. 3 (2023), ensuring Service-Disabled Veteran-Owned businesses (SDVOB) have greater participation in Erie County Contracts.

SECTION 1.

The following provisions shall be inserted in, and made a condition of all bid specifications or requests for proposals prepared or administered by the Erie County Department of Public Works, Erie County Department of Parks, Recreation and Forestry, and/or the Erie County Department of Environment and Planning (including its Division of Sewage Management) and advertised after the effective date of this local law for any contract estimated by the County to exceed \$100,000 in cost (the "Construction Provision").

A. Minority and Women Business Enterprise Utilization Commitment:

Contractors awarded a contract by the County in a value of **\$100,000** or greater shall take action to create equal economic opportunity by utilizing bona fide MWBE and/or SDVOB for subcontracting on County projects.

Such equal economic opportunity action shall include, but not be limited to:

- (1) Utilizing a source list of MWBE and SDVOB compiled by the County or the State of New York;
- (2) Solicitation of bids from MWBE and SDVOB, particularly those located in Erie, Niagara, Cattaraugus and Chautauqua Counties;
- (3) Giving MWBE and SDVOB sufficient time to submit proposals in response to County solicitations;
- (4) Maintaining records showing MWBE and SDVOB and specific efforts to identify and award contracts to these entities; and
- (5) A goal of awarding a certain percentage of the total dollar value of the contract to MWBE and SDVOB, which shall be promulgated by the Director of the Division of Equal Employment Opportunity (DEEO) in accordance with the findings of the Erie County Disparity Study and in accordance with Section 11 of this local law.

B. Where the MWBE or SDVOB is a supplier, a credit of sixty percent (60%) of the dollar value of the subcontract between the MWBE or SDVOB and the contractor shall be awarded towards the fulfillment of the appropriate goal as set forth above, unless the supply budget for the overall project accounts for seventy-five percent (75%) or more of the total project budget, and in that instance a credit of one hundred percent (100%) of the dollar value of the subcontract between the MWBE or SDVOB and the contractor shall be awarded towards the fulfillment of the appropriate goal.

For the purposes of this provision, an MWBE or SDVOB shall be considered a 'supplier' when it assumes actual and contractual responsibility to furnish supplies or materials and is the manufacturer of those supplies or materials; or is recognized by the manufacturer involved as a distributor of its supplies or materials; and owns or leases a facility which is necessary and customary to carry out the purported function of the business; and distributes, delivers and services the supplies or materials with its own employees.

C. Where the MWBE or SDVOB performs a sales function, which is customarily performed as a distinct and necessary part of the supply process, the credit shall be the exact dollar value of the broker fees or the exact percentage of the markup on the product on a subcontract between the MWBE or SDVOB and the contractor. The sales credit will be awarded toward the fulfillment of the appropriate goal. Where the MWBE or SDVOB performs a function or service, which is commercially unnecessary, such as acting as a passive conduit in the supply process, or duplicating a service provided by others in the same supply chain from manufacturer to purchaser, no credit will be granted toward the appropriate goal.

A goal of awarding at least ten percent (10%) of the total dollar value of the contract to MBE, at least two percent (2%) of the total dollar value of the contract to WBE, and at least six percent (6%) of the total dollar value of the contract to SDVOB or, for those contracts governed by federal or state regulations with respect to MBE, WBE and/or SDVOB hiring the prevailing percentage set forth therein, whichever is higher, subject to waiver as provided below.

D. Each Contractor bidding on a County contract shall submit to the County, with the bid, a list of all MWBE and/or SDVOB with whom the Contractor has signed a binding contractual agreement, or is presently negotiating an agreement, for the purposes of meeting the minority and women business enterprise utilization goal provided for in section A(5) of this law. Such a list *must be signed by the MWBE and/or SDVOB* with whom the Contractor is seeking to utilize. A Contractor's bid shall not be considered where the contractor fails to submit such a signed list of MWBE and/or SDVOB as provided herein. A Contractor's bid shall not be considered where examination of said list of MWBE or SDVOB evidences failure by the contractor to comply with the equal economic opportunity action requirements provided for herein, except that the County may, upon written request by the contractor, grant a complete or partial waiver of the provisions when the availability of MWBE or SDVOB in the market area of the project is less than the goals above. Upon a written request by the Contractor, the County, through its Erie County DEEO, may grant a complete or partial waiver of the requirement for subcontracting with an MWBE or SDVOB when an MWBE or SDVOB for the project is not available; *if an appropriate, fully executed request for waiver and good faith effort log is submitted.*

E. As evidence of compliance with the goals set forth in this law, within fifteen (15) business days of the bid opening, the contractor shall submit to the County a schedule for MWBE or SDVOB participation, including the name(s) of the MWBE and/or SDVOB with whom the contractor intends to subcontract, specifying the agreed-upon price to be paid for such work, and identifying in detail the Contractor item(s) or parts to be performed by each MWBE or SDVOB. A letter of intent to enter into a subcontract or purchase agreement, contingent upon contract award by the County, and indicating the agreed-upon price and scope of work shall be provided, signed by both the contractor and the MWBE or SDVOB.

F. As evidence of compliance with the goals set forth in this law, the Contractor shall provide to the County copies of all subcontracts and/or purchase agreements with MWBE or SDVOB for the contract within fifteen (15) business days of the contract award. A notice to proceed with construction shall not be issued until the County receives such documentation.

G. As evidence of compliance with the goal set forth in this law, when the project is thirty percent (30%) complete, the Contractor shall submit a list of the MWBE or SDVOB with whom the contractor has entered into a binding agreement for subcontracting under this contract to the County. The same information is required when the project is at seventy-five percent (75%) completion and a final accounting must accompany the final payment request to the County.

H. Failure to comply in good faith with the provisions set forth herein shall constitute a breach of the contract, subject to all remedies available to the County, including but not limited to the assessment of liquidated damages or other contractual penalties, as reasonable and appropriate.

I. In the event of non-compliance with subparagraphs D, E, and F provisions by a successful low bidder Contractor, the County has the discretion to proceed with negotiations with the next two lowest or qualified bidders.

J. All appropriate goals, ownership status, and compliance with the provisions of this law shall be certified by the Erie County DEEO after review of appropriate documents and investigation.

For the purpose of this section, the following terms mean:
