**SOCIAL ADULT DAY PROGRAM CONTRACT AGENCIES**

Day care is a vital service that enables caregivers of elderly relatives to bring their loved ones to a place that will provide care while offering stimulating activities tailored to meet individual needs. In order to help more people benefit from available day care programs, the Erie County Department of Senior Services may offer financial assistance to those who would otherwise be unable to attend.

Such assistance is based on assessment of need and availability of program funds. To arrange an in-home assessment at no cost to you by a case manager who is trained to evaluate your financial options and to determine what other services may be available and helpful to you, call 858-8526.
