SOCIAL ADULT DAY SERVICES CONTRACT AGENCIES

Social Adult Day Services are vital and enables caregivers of the elderly to bring the person they care for to a place that will provide care while offering stimulating activities tailored to meet their individual needs.

In order to help people benefit from available social adult day services programs, the Erie County Department of Senior Services may offer financial assistance to those who would otherwise be unable to attend.

Such assistance is based on assessment of need and availability of program funds. To arrange an in-home assessment at no cost to you by a case manager who is trained to evaluate your financial options and to determine what other services may be available and helpful to you, please call (716) 858-8526.
