Ambassador Outreach

The Erie County Department of Social Services (ECDSS) has staff that are designated as ECDSS Ambassadors who attend outreach events in the community. The Ambassadors will have brochures for our ECDSS program areas, along with applications and are available to answer questions the public may have. Do you have a community event you would like ECDSS to table at? Please reach out to our Community Coordinator, Diana Rose, at (716) 858-6742 or via e-mail at Diana.Rose@erie.gov.
