

Behavior Support and Advocacy

We will work with your family to develop strategies and techniques associated with a variety of behaviors such as ***sensory integration, meltdowns, communication, social skills, anxiety, independent living skills*** and more.

Behavior Services

These services are offered both in-home and virtually!

- Behavior assessments
- Behavior data tracking and analysis
- Education and resources
- Development a family-friendly behavior modification plan
- Coaching and support
- Creation of visual aids and tools specific to the needs of your child
- Collaboration with schools and community service providers as needed

This program serves residents in all WNY counties who have school-aged youth living in the home who are eligible for services through the Office of People with Developmental Disabilities (OPWDD).

In-home services are available in Erie and Niagara counties.

Virtual services are available in Allegany, Cattaraugus, Chautauqua, Erie, Genesee, Niagara, and Orleans counties.
