## About the Children's Clinics

Monsignor Carr Institute Children's Clinics are New York State licensed outpatient mental health clinics offering service to children and adolescents ages 3 to 22, and their families.

The Clinic programs were established to meet the mental health needs of the children and families in Niagara County and are supported by the Niagara County Department of Mental Health and the New York State Office of Mental Health.

Our staff includes child psychiatrists, nurse practitioners, psychologists and master's level child therapists.

Individuals, family and group therapies are available to address each child's special needs.
