**a. Post-Scoring Meeting: 3/9/25 at 10am**

- i. Summer Primetime RFP scoring was due this past Friday; please check your email as some have not been uploaded

**c. Youth Representative of Erie County Youth Board**

- i. Looking for a new representative to join us
  - 1. We have a representative from the suburbs, so we are primarily looking for someone from the City of Buffalo

## COUNTY OF ERIE

**MARK POLONCARZ**

COUNTY EXECUTIVE

- iii. Any interested youth, have them send an email to Wanda along with a letter of interest, a resume and 2 professional reference letters.
- d. **Erie County Youth Board 2024-2025 Contact List**
  - i. Youth Board Member End Term Dates
    - 1. These are folks who have been on the Board for nearly two years; if you wish to remain on the Board, send an updated resume to Jamien, Brian, Wanda, and Dinesha
      - a. Please send it ASAP so the appointment does not lapse, and it sometimes can take a couple months to get on the legislative agenda
    - 2. July 1, 2025: LaShawn, Jamien, Maria, Brian, John R.
    - 3. December 1, 2025: Ashleigh
- e. **Site Visits Tracking**
  - i. It is important to join Wanda and Dinesha on the site visits: all members are required to complete two per year and one per funding cycle; can do more than 2
    - 1. Dave noted advanced notice would be helpful; Wanda noted the Bureau is working on it
  - ii. Jamien will work on getting a calendar out and tracking document
  - iii. Please show up dressed appropriately and ready to engage
  - iv. Site visits are important to get a perspective of the organizations that cannot be understood from the funding applications alone; visits allow the Board to see the impact of funding and quality of programming offered
  - v. Sue brought up how prior meetings used to be at agencies that received fundings, which allows for tours and overview of programming as part of monthly meetings; suggested exploring this again
    - 1. Sue would be happy to assist with this; Wanda noted that several agencies seemed willing recently, but then there were transitions that disrupted planning
- f. **Training?**
  - i. What might trainings look like to help inform Jamien and Brian's creation of it
    - 1. RFP scoring
      - a. Brian noted there is inconsistency in scoring, which makes it difficult
      - b. Used to do interviews and then would have meetings together to discuss scoring to be consistent, but also allowed for more information gathering from agencies
      - c. Other members suggested scoring group meetings, or having the RFP up and compare application to RFP
        - i. Each RFP does get scored by several Board members
      - d. A more detailed rubric would also be helpful, with examples of what each score looks like
    - 2. Any additional ideas—send to Jamien and Brian
